

## GOA UNIVERSITY

Applications are invited from eligible candidates on plain paper for ONE post of Junior Research Fellow (JRF) on the research project entitled '*Development of Novel Polymeric Detectors for Selective Dosimetric Analysis*' sponsored by Atomic Energy regulatory Board (AERB) for a period of ONE year to carry out research at Department of Chemistry, Goa University.

### Eligibility:

M. Sc. (Chemistry) (Candidates with M Sc in Organic Chemistry/ Polymer Chemistry/ Physical Chemistry. Those qualifying NET/ GATE will be preferred)

Candidates may note that in case of satisfactory performance, the initial appointment may get extended by one year as JRF and further by another year as SRF subject to approval from AERB.

### Salary:

- a. Monthly emoluments: Rs. 16,000/-
- b. HRA : @15 % of above

Interested candidates may approach Dr V S Nadkarni, Associate Professor, Department of Chemistry along with their application (attach Xerox copies of all mark-lists/certificates etc) and original mark lists/ certificates etc., and may appear for a walk-in interview that will be held on November 11, 2013 at 11.30 a.m. onwards in the Office of the Head of Chemistry Department, Goa University.

No TA/DA will be paid to the candidates appearing for the interview.
