**Research Vacancies at Dept. of Marine Sciences, GU**

Applications are invited on plain paper for the posts of Research Associate (1 post) and Research Assistant (2 posts) to work on the project titled "Ballast Water Management Programme India (BAMPI) at eight major ports of India, initially for the period of one year (likely to be extended to five years). The project involves port biological baseline survey of the eight major ports with specific reference to demersal fish fauna.

Eligibility: (1) Research Associate: Ph.D. in Marine Science with evidence of published work in fisheries. The candidate should have sufficient experience in demersal fish and crustacean taxonomy, and to participate in onboard trawl to collect biological samples. Fellowship: Rs. 20,000/- per month. (2) Research Assistant: M.Sc. with specialization in Marine Sciences, Marine Biology, M.F.Sc., Biotechnology, Microbiology, Zoology, Biosciences. NET/UGC qualified candidates will be preferred. Fellowship: Rs. 12,000/- per month.

Interested candidates may send their bio-data with e-mail address to Dr. C. U. Rivonker, Associate Professor, Department of Marine Sciences, Goa University, Taleigao, Goa 403 206 before 3-10-2011. Date of interview will be communicated to the eligible candidates through e-mail. No TA/DA will be paid to the candidates for attending the interview.
