Goa University has joined the The National Academic Depository (NAD) which is an initiative of the Ministry of Human Resources Development and University Grants Commission. The NAD is hosted by the the NSDL Database Management Limited (NDML) and it facilitates Universities to Digitally, Securely and Quickly issue Online Academic Awards to students who have accounts with the NAD.

The student can access their certificates at any time and authorise employers, banks to view and verify them electronically. This would do away with the need to carry original marksheets, attest photocopies, wait for verification of documents, etc. The registration process is simple. Just click
