

GATEWAYS 2018

'Gateways' is an inter-collegiate all India post-graduate IT fest organized by the Department of Computer Science, Christ (Deemed to be University), Bangalore. Entertaining and intellectually challenging events in the technical and non-technical category are organized in this fest. Gamelligence was the theme for Gateways 2018 (6-7 Sep 2018) consisting of 12 events namely, Click-Bait, Intent Not Found, Event X, Gold Rush, Verbal Wars, Freeze Frame, The Grand Hackathon, Manager Mayhem, Bug Smash, Question Mark and Game-O-Tronix(FIFA'18, BLUR, CS1.6). Over 30 colleges participated in the fest. Goa University sent a team (named "Star Wars") of 20 students from the Department of Computer Science and Technology. Members of Star Wars were Mahadev Parsekar, Jeff Torcato, Leonora Fernandes, Shubham Pai, Digvijay Solanki, Craig Da Silva, Kedar Prabhugaonker, Anish Rao, Vishwanath Patil, Yogesh Ramnathker, Omkar Gad, Dattesh Nagekar, Virendra Phoolwari, Eshani Shet Kurtarkar, Pratik Kenaudekar, Khushboo Shetkar, Shabri Shet Teli, Naman Rakhecha, Vinay Gauns and Shubham Mapsenkar.

The events in which we won the 1st place were: Intent Not Found (Craig Da Silva and Digvijay Solanki), FIFA'18 (Shubham Mapsenkar), Verbal Wars (Naman Rakhecha and Pratik Kenaudekar) and Manager Mayhem (Shubham Pai). The events in which we won the 2nd place were: Gold Rush (Yogesh Ramnathker, Omkar Gad and Vinay Gauns), Click Bait (Vinay Gauns and Pratik Kenaudekar) and Event X (Vishwanath Patil and Dattesh Nagekar).

Unity, determination and hard work led the team to the Runners-Up Trophy. It was a joyful moment for the team to see that their hard work had finally paid off. Congratulations to the participants!
