

Prof. I.K. Pai invited as UGC-Visiting Fellow

[Prof. I.K. Pai](#), HoD of Zoology at this University has been invited as UGC-Visiting Fellow at the Centre with Potential Excellence in Biodiversity (CPEB), Rajiv Gandhi University, Arunachal Pradesh from 22 October to 9 November 2018. Prof. Pai has also served as the Director of UGC-HRDC at Goa University for last few years and developed the Centre that is most preferred by the participants.

CPEB is one of the 12 centres established at various Universities in Particular Area. The centre is engaged in generating base line data on the biological diversity in the state. the survey and exploration of higher plant diversity, microbial diversity, fish diversity and insect diversity are the thrust areas of the Centre with the formation of research groups on phytochemical analysis, fish and nutrition biology, microbiology and wildlife biology. It has also initiated one year Advance Post Graduate Diploma in Biodiversity (APGDB) to develop expertise and manpower resources on Biodiversity and its conservation and sustainable use.
