

UBA Activity on Independence Day, 15<sup>th</sup> August 2018  
Gram Sabha at Paroda Village Panchayat, Paroda

Gudi-Paroda, one of the five villages Adopted under Unnat Bharat Abhiyan Program by Goa University, is situated in South Goa District, and approx. 50 kms distance away from Goa University. Directorate of UBA, Goa University in coordination with Paroda Village Panchayat organized a Gram Sabha in which Sarpanch, Panch members and village people participated. Dr. S. N. Dhuri, Dr. Rajendra Gad and Dr. Alakanda Shrigare from University greeted the village community on the auspicious 72<sup>nd</sup> Independence Day. Further, faculty members interacted with the members and briefly explained the objectives of the UBA. The following priority areas which will be taken in the village in this year were discussed:

1. House hold and village survey as per UBA guidelines
2. Presentation of Government (state and central) Schemes
3. Awareness of Solid waste management in this village
4. Sanitation and drainage water management awareness and solutions
5. Education related programs
6. Youth entrepreneurship programs
7. Assisting Panchayat in e-governance
8. Water management awareness / solutions
9. Agriculture / Organic farming programs
10. Sustainable Ecotourism awareness
11. Night camp by the University students and faculty

It was decided in the Gram Sabha that on 26<sup>th</sup> August 2018, a program may organized in village on the Orientation cum awareness on Unnat Bharat Abhiyan program. In this activity an awareness lecture on Solid waste management followed by a Street play on Garbage issue will be organized. In this program, the presentation on State and Central Government Schemes will be made by the students to the villagers.
