

University contributions to the Society

Goa University, with a pool of intellectuals, continue providing expertise to various governmental and non-governmental organizations. In recent past, a twenty two member State Level Committee constituted by the Directorate of Art and Culture, Govt. of Goa to frame guidelines for 'Goa State Library Policy' reflects on the contributions of the University to the society. The members such as [Shri Ramrao Wagh](#), [Dr. Prakash Parienkar](#) and [Dr. Nandakumar Kamat](#) (Chairman) belong to the teaching fraternity of the University. There are many members like Mrs. Archana Kakodkar, Mr. Frederick Noronha, Dr. Carlos Fernandes, etc., who were also associated in one or other capacity with the Goa University. A good number of other members are the alumni of the University or its affiliated colleges.

The committee would submit its recommendations to the government on the future planning and development of libraries in Goa and strengthen library movement to promote reading culture and also to preserve the personal collection of eminent individuals for national posterity.
