

M.Sc. Marine Biotechnology admission portal is now open
(ONLY students with GAT-B ranking are eligible to apply).
(Admission procedures are solely through online mode.)

Please visit: <https://www.unigoa.ac.in/dept/department-of-biotechnology.html>

Procedure for M.Sc. Marine Biotechnology admissions (2020-21) through GAT-B Ranking:

Step 1:

- **Applicants applying for the M.Sc Marine Biotechnology programme at Goa University need to have a valid Gmail id to fill the online Google form.**
- GAT-B ranked students seeking admission at Goa University may fill in and SUBMIT the Google Form [\[Click HERE\]](#), **within 8 days from the date of declaration of GAT-B results** on the RCB, Faridabad / DBT (Govt. of India) website.

Step 2:

- Upon receipt of the above Google form and short-listing, students selected to join the programme at Goa University will be sent an email containing the link to complete the admission process by uploading the necessary documents and payment of fees as per Goa University procedures (dates of opening and closure of the link will be informed through the same email).

General information:

- Total annual fee payable for the 1st year M.Sc. Marine Biotechnology programme amounts to Rs. 18,660/- (plus refundable caution deposit of Rs. 2,130/-).
- All students admitted through this selection process will be eligible to receive a stipend of Rs. 5,000/- per month from the DBT (Govt. of India) during the course of the programme.
- All students admitted to this programme at Goa University are being provided with hostel room facility on a twin-sharing basis. For further details visit:
