---

### **Procedure for M.Sc. Marine Biotechnology admissions (2021-22) for GAT-B qualified candidates:**

#### **Step 1:**

- Candidate should have the valid Gmail account.
- Candidates with valid qualified GAT-B scores seeking admission at Goa University may fill in and SUBMIT the Google application form [\[Click HERE\]](#).

#### **Step 2:**

- Upon receipt of the above Google form and short-listing, candidates selected to join the programme at Goa University will be sent an email containing the link to complete the admission process by uploading the necessary documents and payment of fees as per Goa University procedures (dates of opening and closure of the link will be informed through the same email).

**General information:**

- Apply on or before 25<sup>th</sup> September 2021.
- There will be separate merit lists of qualified candidates for the various categories of students as per Government of India norms, the approved distribution of the 30 seats at GU, being as follows:  
**General (UR)** - 12; **OBC** – 08; **SC** – 05; **ST** – 02; **EWS (Gen)** – 3; **DA** – 01 (across the Categories).
- Total fee payable for the 1<sup>st</sup> year M.Sc. Marine Biotechnology programme (2021-22) would be approximately Rs 13,210/-.
- Students who have received the final year results and are selected for admission at Goa University will first apply for an eligibility certificate by paying Rs 600/-.
- All students admitted through this selection process will be eligible to receive a stipend of Rs. 5,000/- per month from the DBT (Govt. of India) during the programme tenure.
- All students admitted to this programme at Goa University will be provided with hostel room facility on a twin-sharing basis. For further details, visit:
