Dear Prof. Verenkar,

Greetings from Godrej Agrovet!

It was a pleasure interacting with you yesterday.

As we gear up to interact with the students of your esteemed university tomorrow; following would be the schedule and requirements.

A) Pre – Interaction:

We need a brief profile of all the students who are interested in this exciting career opportunity with Godrej Agrovet (Courses: Analytical chemistry and Organic chemistry).

Please ask the students to fill in their details at : <https://tinyurl.com/GodrejAgrovet> (Or) simply scan the attached QR code to access the form.

It will be helpful if all the 20 students fill in the form by 11:00 AM tomorrow (14th May 2022).

B) Interaction (Pre-placement talk): 4:00 PM to 5:00 PM tomorrow (14th May 2022) at University.

Godrej Agrovet representatives: Dr Kamlesh Fondekar, Head R&D, Mr Abhishek Kumar, Head - Organisation Development and Effectiveness, GAVL and me.

We will spend 1 hour with the students to take them through the mission, vision, careers at GAVL and take questions in case the students have any.

Requirement for the pre-placement talk: Projector and speakers.

Post the pre-placement talk, we will administer a short ONLINE quantitative ability and logical reasoning test on all 20 students which the students can complete at their leisure and complete the same by 7:00 PM tomorrow. The students just need a stable internet connection and phone/laptop to complete the test.

Based on the student profiles and performance in the online test, we will shortlist around 10-12 students for the interview on Sunday, 15th May 2022.

The shortlist will be mailed to you by 9:00 PM Saturday night.

C) Interview: 10:30 AM onwards Sunday (15th May 2022) at University.

Interview requirement: There will be 2 panels so it will be helpful if we can get two interview rooms.

Look forward to meeting you tomorrow.

Please reach out to me (8008588551) or Mr Abhishek (7045858916) in case of any queries.

It will also be helpful if you can share any contact from your team with whom I can coordinate for any operational support.

With regards,

Swathi Dabbiru,

Dy General Manager-HR,

Godrej Agrovet Limited.
