Procedure for M.Sc. Marine Biotechnology admissions (2022-23) for GAT-B qualified candidates:

Step 1:

- **In order to fill out the application form, students should have a valid Gmail account**
- Candidates with valid qualified GAT-B scores seeking admission at Goa University may fill in and SUBMIT the Google application form by **clicking or pasting the below link** in IE or Google webpage: <https://forms.gle/YyccVD4XwcJU1jK46>

Step 2:

- Upon receipt of the above Google form and short-listing, candidates selected to join the program at Goa University will be sent an email containing the link to complete the admission process by uploading the necessary documents and payment of fees as per Goa University procedures (dates of opening and closure of the link will be informed through the same email).

General information:

- There will be separate merit lists of qualified candidates for the various categories of

students as per Government of India norms, the approved distribution of the 30 seats at GU, being as follows:

General (UR) - 12; **OBC** – 08; **SC** – 05; **ST** – 02; **EWS (Gen)** – 3; **DA** – 01 (across the Categories).

- **The following category wise cut off scores/marks have been approved by DBT for GAT-B 2022:**
 - a. Unreserved (UR)- 112
 - b. Economically Weaker Section (EWS) - 65
 - c. Other Backward Classes (OBC-NCL)- 71
 - d. Scheduled Caste (SC)- 60
 - e. Scheduled Tribe (ST)- 60
 - f. Differently Abled (DA)- 60
- The first merit list will be displayed on the Goa University website on 4 July 2022.
- **Students who have received the final year results and selected for admission at Goa University will have to first apply for an eligibility certificate by paying Rs 630/-.**
- **Total fee payable for the 1st year M.Sc. Marine Biotechnology program (2022-23) would be approximately Rs 18,000 plus a caution deposit of Rs 2240 (refundable)**
- All students admitted through this selection process will be eligible to receive a stipend of Rs. 5,000/- per month from the DBT (Govt. of India) during the program tenure.
- All students admitted to this program at Goa University will be provided with a hostel room facility on a twin-sharing basis. For further details, visit:
