Benefit/Key outcome of the event in terms of learning/skills/knowledge

The workshop provided idea about Geographical Indication, how to register the geographically originated product for GI tag, the Goan products that are already received GI tag and the products that are in pipeline for registration. Discussion with Mr. Hansel Vaz, founder of Cazulo Feni also gave idea about the hurdles and pinholes in registering product for GI tag. The outcome of this workshop was that the faculties and students were acquainted with Geographical Indication and the process of filing GI tag.
