Report: Workshop on Placement Opportunities for Women Students of Goa University on 24th Aug 2022

Directorate of Student Placement and Alumni Relations (DSPAR), Goa University in association with BeMahika Tech Pvt. Ltd- A Digital Learning & Placement Services Company organized a workshop on **Placement Opportunities for Women Students of Goa University** on 24th Aug 2022, 3:30 pm Chemistry Auditorium, School of Chemical Sciences, Faculty Block-E, Goa University.

BeMahika - a digital learning and placement platform exclusively for women in the white-collar job sector based out of Mumbai and its platform is open to all women graduates across India. They are having necessary skills, expertise, and resources to provide digital training and placement services to the women students.

Director of DSPAR, Dr. Rupesh Patre welcomed the speakers, Mr. Hiren Kulkarni, (CEO) and Ms. Anupama Ramteke, (Co-founder) of BeMahika Tech Pvt. Ltd and Alumnae of Goa University. During workshop they explained how BeMahika helps students to improve their skills, knowledge and provide job opportunities. Also informed simulation training will be provided to students to build confidence and prepare the students & alumnae to have a smooth transition from academic to working career. They also assisted students to register themselves on the BeMahika portal during workshop. The total participants attended for the workshop were 118 from different disciplines Arts, Languages, Chemistry, Biochemistry, Botany, Portuguese, etc.

The BeMahika management had a discussion with the Prof. Sunder Dhuri (Director, DIQA) and Dr. Rupesh Patre (Director, DSPAR) about the plans and placement support to the students.
