

Inauguration of a Recycling bin for E- waste

This is an initiative by the SBSB to recycle E waste on the University Campus. The Registrar inaugurated the recycling bin at 4 PM on the 21st of September 2022 which is kept in the foyer of E block. The faculty of Zoology will be collecting the E -waste and delivering it to the recycling unit. A facility open to all our University employees and students to deposit their E waste to this bin.
