As part of extension and outreach programs, Goa University faculty Dr. Reshma Raut Desai from School of Physical & Allied Sciences delivered a talk on “Observable Universe & Potential for Space Tourism” at Shri Hanuman Vidyalay, Valpoi Sattari Goa. The school had made efforts to invite about 50 students from standard VIII & IX. Followed her lecture Prof. Sunder Dhuri interacted with the students and teachers and mentioned to them the opportunities Available in higher education fields like astronomy. Followed by lectures, Dr. Reshma organized a Skygazing activity in Which many students and their parents participated. The program was attended by School Incharge Headmistress Mrs. Bharathi Barve and Management Chairman Shir Narahari Haldankar and member Mr. Devesh Pednekar. In this outreach activity of the University school appreciated the University’s efforts and thanked the University conducting such activities in Goa.
