<b>Participants</b>	Final year students of MCA: SYMCA (2021-23) Batch: 19 students TYMCA (2020-23) Batch: 55 students (total 74 students)
<b>Co-ordinating Faculty (participated)</b>	Hanumant Harichandra Redkar
<b>Student participated</b>	74 students
<b>The objective/description of the activity</b>	As a part of the MCA program requirement, the final year students have to undergo an internship program in their final semester (in this case Semester VI for TYMCA and Semester IV for SYMCA). The internship for the period of 5-6 months can be done in the Industry or in Academic institutions in Goa or neighboring states, or abroad. During the internship, students are exposed to real-life scenarios in the

	<p>industry/academia and are required to solve real-life problems using their knowledge and learnings of MCA courses. This is an opportunity for them to understand how the company works, how systems are developed, and how to work in a company. The students who complete their internship in the company are most likely to join the same company. The placement of students happens when he/she is still studying so that he/she does not have to hunt around to find a job after getting their degree.</p>																																				
<p><b>Benefit/Key outcome of the event</b></p>	<p>Out of 74 students who participated in the placement, all 74 students got placed (i.e., these students either got an internship somewhere or were recruited directly by the company) resulting in a 100% placement record.</p> <p>Following are placement statistics as of today:</p> <table border="1"> <caption>Placement Statistics</caption> <thead> <tr> <th>Company/Category</th> <th>Number of Students</th> <th>Percentage</th> </tr> </thead> <tbody> <tr> <td>IMMO Information...</td> <td>1</td> <td>1.4%</td> </tr> <tr> <td>SoftMonks, Goa</td> <td>3</td> <td>4.3%</td> </tr> <tr> <td>Parallel Process...</td> <td>2</td> <td>2.9%</td> </tr> <tr> <td>HelixTech Pvt.
