

**School of chemical sciences (SCS), Goa University in association with Directorate of
Student Placement and Alumni Relations (DSPAR), Goa University**

Report on the talk organized on the theme

“Career Opportunities at Bhabha Atomic Research Centre (BARC)”, Mumbai for Post-Graduate students of Life/Chemical/ Physical/Environmental sciences and Geology”

School of chemical sciences, Goa University in association with Directorate of Student Placement and Alumni Relations (DSPAR), Goa University organized a talk on “Career Opportunities at Bhabha Atomic Research Centre (BARC)” for Post-Graduate students of Life/Chemical/Physical/Environmental sciences and Geology of Goa University on 13th February 2023 from 10:00 A.M. to 12:00 noon in the SCS Auditorium. The aim of the talk was to provide insights on Career in frontline areas of nuclear, accelerator and material science and technology for P.G students at BARC, Mumbai. Dean, SCS welcomed the speakers and the audience. Dr. Rupesh Patre then introduced the speakers followed by the talk. The talk was delivered by TWO Scientific officers from BARC, Mumbai, Dr. S.V. Thakare and Dr. Vikas Latey.

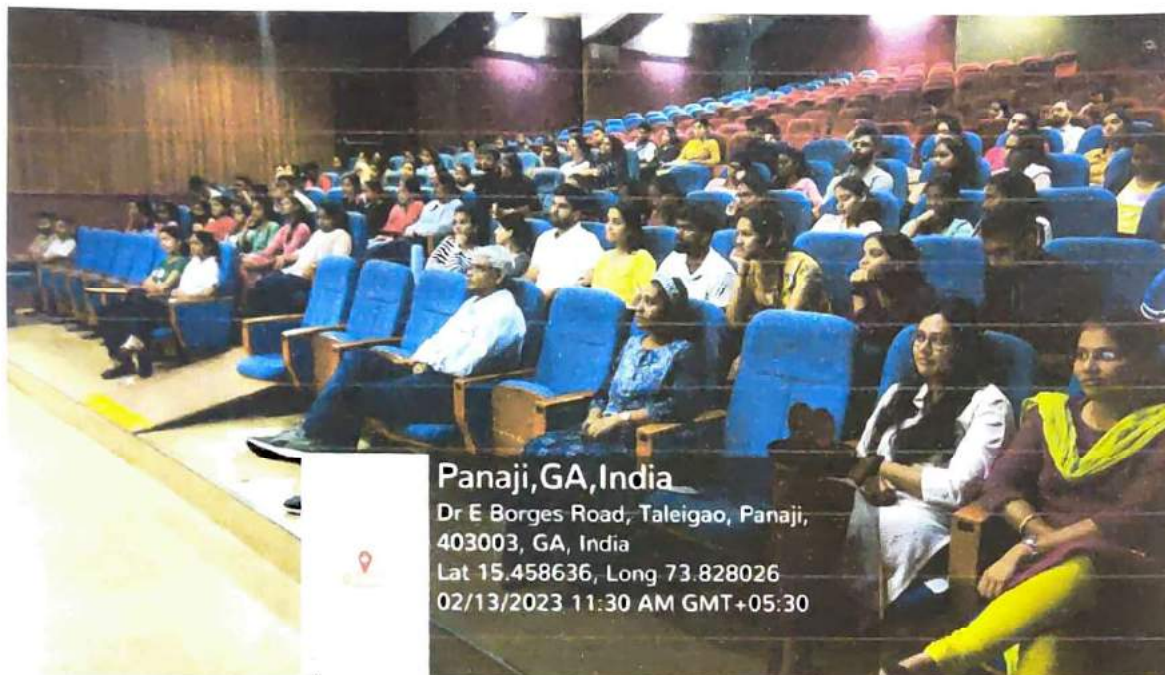

First and foremost, Dr. S. V. Thakare provided deep knowledge about various organizations/Institutes working under Department of Atomic Energy (DAE) and further provided information about the various research challenges taken up by such Institutions/Research laboratories in the field of Geology, Agriculture, Medicine, Environment, Water, etc. The scientific officer further spoke about the various departments at BARC, Mumbai and imparted idea about the scientific research areas at BARC, Mumbai. Latter, Dr. Vikas Latey provided deep insights into the upcoming recruitment/training program at BARC, Mumbai as Scientific officers for the Post Graduate students and encouraged the students to apply for the posts. The scientific officer provided detailed information regarding the recruitment process, eligibility criteria, syllabi for entrance test and also provided the students understanding about their duties if appointed as Scientific officers at BARC, Mumbai.

The scientific officers informed the audience that in the past very few applications were seen from the state of Goa and they are really looking forward for majority of applications from Goa University students. The talk was attended by the students and teaching faculties from Life sciences (School of Biological sciences and Biotechnology), Chemical sciences (School of Chemical sciences), Physical sciences (School of Physical and Applied sciences) and Environmental sciences and Geology (School of Earth, ocean and Atmospheric sciences). Students got to interact with the Scientific officers and students participated in the talk gave positive feedback saying they are motivated to apply for the said training/recruitment program at BARC, Mumbai. Dr. Rupesh Patre presented the memento to the speakers and Dr. Delicia Barretto concluded the session with the vote of thanks.
