The objective/description of the activity	A one-hour discussion was conducted to sensitize the students regarding different social issues that limit a woman and how we can overcome those issues and make the world a better place for women. Students were shown a youtube video sketch titled "A Better World for Women" by the channel Filetrcopy. Students were asked to identify the key social issues portrayed in the video. An activity was conducted wherein the students were asked to pick one social issue, speak about it and propose solutions to ameliorate our society in terms of gender equality.
Benefit/Key outcome of the event	A thought process was commenced through the activities wherein the students thought about the major causes of certain social issues, the consequences they have on a woman's life and the students also came up with ways in which certain social evils could

	be eradicated. The activities made them question certain prevalent practices that go unchecked and affect women in their daily lives.
