

Report on Campus Placement Conducted by Godrej Agrovet Ltd (Mumbai) at Goa University on March 16th and 17th 2023

On March 16th and 17th, 2023, Godrej Agrovet Ltd conducted a campus placement drive at Goa University to recruit young and talented graduates for their various departments. Godrej group is a multinational company and has a strong presence in India and operates globally in many countries. The placement drive was conducted with an aim to identify potential candidates and offer them job opportunities in the Research and Development unit.

Students had to go through pre-placement talk from Godrej Agrovet Ltd. HR manager Mr. Chandan Y. Birodkar and Dr Valmik Dhakane, Lead R&D (Astec Life Sciences). The placement drive was open to students from Organic and Analytical chemistry programmes. The students were required to register themselves for the placement drive by filling the google form which was submitted 20 days prior to the interview. Students had to go through rigorous selection process that included online screening test, written technical exam and personal interviews. A total of 20 students registered for the placement drive, out of which 8 students were shortlisted for the next round (7 organic and 1 Analytical). Finally, after a series of selection processes, 4 students were selected for various positions in the company. Following are names of students who got selected after interviews.

1. Aakansha Naik	Organic Chemistry	Female
2. Rupesh Gaonkar	Organic Chemistry	Male
3. Devendra Sawant	Organic Chemistry	Male
4. Vaishnavi Naik	Organic Chemistry	Female

The selected candidates will be offered attractive salary packages and other benefits as per the company norms. They will be trained and mentored by the experienced professionals in the industry and will get an opportunity to work on challenging projects that will enhance their skills and knowledge.

In conclusion, the placement drive was a great success, and the candidates appreciated the opportunity provided to them by Godrej Agrovet Ltd. The company representatives were impressed with the talent pool at Goa University and expressed their willingness to conduct more such drives in the future. The campus placement drive conducted by Godrej Agrovet at Goa University was a great opportunity for the students to showcase their skills and get a chance to work with one of the leading companies in the agribusiness industry. The selected candidates are expected to contribute significantly to the growth of the company and create a bright future for themselves.
