

## **Report on Campus Placement Conducted by Deccan Fine Chemicals (Goa) Pvt Ltd at Goa University on April 6<sup>th</sup> 2023**

On April 6<sup>th</sup> 2023, Deccan Fine Chemicals (Goa) Pvt Ltd conducted a campus placement drive at Goa University to recruit young and talented graduates for their various departments. Deccan Fine Chemicals (Goa) Pvt Ltd having vast experience in large-scale manufacturing needs of global customers in agrochemicals, pharmaceuticals, and speciality chemicals. They have high-quality manufacturing assets used for fine chemical applications, discovery, development, production and distribution. The placement drive was conducted with the aim to identify potential candidates and offer them job opportunities in the Technology and engineering unit.

The student had to go through a pre-placement talk from Deccan Fine Chemicals (Goa) Pvt Ltd Sr Vice President and Site Manager Mr. Kiran Desai. The placement drive was open to students from the Organic chemistry program. The students were required to register themselves for the placement drive by filling out the Google form which was submitted 20 days prior to the interview. Students had to go through a rigorous selection process that included a written technical exam and personal technical as well as Human resource interviews. A total of 16 students registered for the placement drive, out of which 9 students were shortlisted for the next round. Finally, after a series of selection processes, 4 students were selected for various positions in the company. Following are the names of students who got selected after interviews. (email attached)

|                     |                   |        |
|---------------------|-------------------|--------|
| 1. Shubham Rivonkar | Organic Chemistry | Male   |
| 2. Gajain Dessai    | Organic Chemistry | Male   |
| 3. Rahul Sawant     | Organic Chemistry | Male   |
| 4. Akshata Bhonsle  | Organic Chemistry | Female |

The selected candidates will be offered attractive salary packages and other benefits as per the company norms. They will be trained and mentored by the experienced professionals in the industry and will get an opportunity to work on challenging projects that will enhance their skills and knowledge.

In conclusion, the placement drive was a great success, and the candidates appreciated the opportunity provided to them by Deccan Fine Chemicals (Goa) Pvt Ltd. The company representatives were impressed with the talent pool at Goa University and expressed their willingness to conduct more such drives in the future. The campus placement drive conducted by Deccan Fine Chemicals (Goa) Pvt Ltd at Goa University was a great opportunity for the students to showcase their skills and get a chance to work with one of the leading companies in the agribusiness industry. The selected candidates are expected to contribute significantly to the growth of the company and create a bright future for themselves.

Glimpses of the placement drive can be seen at the end of the report.

Dear Dr. Verenkar,

Thank you for hosting us at your campus yesterday.  
It was a good experience interacting with you'll, members of the faculty and students.

Further to the selection process that was carried out, we are pleased to offer employment to 4 students.

Organic Chemistry:

1. Shubham Rivonkar
2. Gajain Dessai
3. Rahul Sawant
4. Akshata Bhonisle

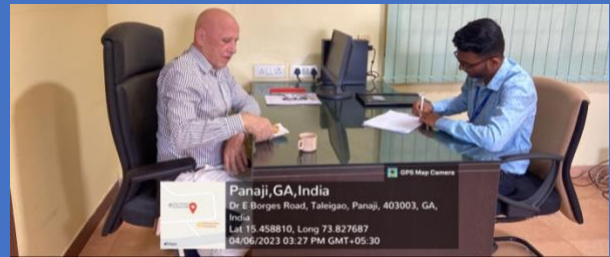

Please note that these offers are subject to successful completion of their M.Sc. course in the current academic year and medical fitness at the time of joining.

We will be in touch with you'll in the weeks to follow, for completion of rest of the formalities.

Regards,  
Sarah
