Report on Industrial Bioprocesses Chart Competition and Display

Marine Microbiology discipline of SEOAS, Goa University has started the Student unit of Microbiologists Society, India in 2021. As part of the collaborative activities, a chart making competition on the theme 'Industrial Bioprocesses' was organized on 20th April 2023 from 3 p.m. – 5 p.m. in physical mode at the premises of SEOAS, Goa University. The charts were judged and put on display for the day. Dr. Nikita Lotlikar and Dr. Diviya Vaigankar, Assistant Professor, SEOAS, Goa University, judged the charts and selected 3 winners. The total participants in the competition were 16 while the total attendance was 42 which included 8 faculty members. The main objectives of the activity were to popularise the industrial processes involved in microbial fermentations; to inculcate a competitive spirit in the students. The students were given the topics and started collecting information from scientific journals to prepare the charts. They were guided by faculty in-charge of industrial microbiology, Dr. Chanda Berde. The chief guest at the prize distribution ceremony was Sr. Prof. C.U. Rivonker, Dean, SEOAS. Prizes were distributed to the winners at the hands of the chief guest, in the presence of the faculty of SEOAS. The Best Student of the Discipline award of MBSI, for the year 2021-22 was also awarded during the ceremony and the award was bagged by Ms. Imrana Shaikh. The major outcomes of the activity were: Students got familiarized with different industrial production processes; Charts generated will be displayed in the classroom: MBSI best student of Discipline was awarded. Prof. Rivonkar congratulated the winners and appreciated the efforts of the students. Dr. Chanda Berde offered a vote of thanks. Brochure, Notice, Geo-tag photos, and Attendance of students and faculty are submitted with report.
