

School of Chemical Sciences Goa University

Report on Inter-School Quiz competition organized on 27th April 2023

The year 2023 has been declared by the United Nation as “International Year of Millets”. In this regard, Directorates of Higher Education (DHE) is conducting various activities at Goa University to promote the millets. Following this School of Chemical Sciences (SCS), Goa University organized an Inter-School Quiz Competition on Millets on 27th April 2023 at 3.00 pm for M.Sc./ Ph.D. student

Four schools of Goa University participated for the quiz constituting 5 teams. Each team had two members. The following students participated from different schools:

Team 1: Ms. Samantha Da Costa and Mr. Leo Dsouza from **School of Chemical Sciences (SCS)**

Team 2: Ms. Shital A. Desai and Ms. Aishwarya A. Gaude from **School of Biological Sciences and Biotechnology (SBSB-Botany)**

Team 3: Ms. Diksha Salgaonkar and Ms. Fazila Shaikh from **School of Biological Sciences and Biotechnology (SBSB-Biotech)**

Team 4: Mr. Neel Dicholkar and Mr. Vaibhav Majalikar from **Shenoi Goembab School of Languages and Literature (SGSLL)**

Team 5: Mr. Vedang Patankar and Mr. Sanket Parab Gaonkar from **School of Earth, Ocean and Atmospheric Sciences (SEOAS)**

The quiz master for the quiz was Dr. Prakash Parvatkar, Assistant Professor, Government College of Arts and Science, Sanquelim. The quiz consisted of five rounds and various types of questions based on origin of millets, their generic names, availability, crop conditions, etc. were asked. Team 2: SBSB-Botany begged the first prize whereas, Team 3: SBSB-Biotech were runner ups. The prizes were given by Dean, SCS. The quiz was attended by 9 teachers and 16 students.

The flyer, photographs and attendance are enclosed.
