Report on talk by Dr. Sandesh Bugde on 18th April 2023

The School of Chemical Sciences organized a seminar on 18th April 2023 at 3.00 pm on the topic "Effective Powerpoint Presentation". The talk was organized with an aim to develop soft skills of master and PhD students and was delivered by Dr. Sandesh Bugde, Assistant Professor at Goa University.

Dr. Bugde in his talk focused on significance of making impressive slides to deliver an effective presentation. The common errors and mistakes made by the presenter while making slides were brought to the notice of the audience. The do's and don't's while making a presentation and the effect on its outcomes while presenting, were highlighted by the speaker. The tips on delivering an attractive presentation were also shared by Dr. Bugde.

The seminar was coordinated by Dr. Anjani Nagvenkar.

The talk was mainly conducted for students and was attended by 45 M.Sc and 8 PhD students.

Overall, the talk was very instructional, communicating to the students the minor details to be considered while making effective powerpoint slides.

The flyer, photographs and attendance are enclosed.
