The faculties and research scholars from different states have participated in the workshop. The program was coordinated by Dr. Prajesh Volvoikar and Prof. Sunder Dhuri. 2. The School of Chemical Sciences organized an invited talk on “Designing Molecular Magnets” on January 19th, 2023, at 4:00 pm in the LH1, SCS, Goa University. The resource person for the event was Prof. Prasanna S. Ghalsasi Professor, Maharaja Sayajirao University of Baroda, Vadodara, Gujarat. The MSc students (Part-I and Part-II), research scholars and faculty members of the school participated in the event. Following teachers were part of the Seminar committee organizing team Dr. Anjani Nagvenkar, Dr. Pranay Morajkar, Dr. Rupesh Kunkolkar, Dr. Prachi Torney, Mr. Vishnu Chari, Dr. Kedar Narvekar and Dr. Shrikant Naik. 3. The School of Chemical Sciences organized an invited talk on “Selective hydrogenation of terminal alkynes and approaches towards reversible hydrogen storage” on January 23rd, 2023, at 4:00 pm in the LH1, SCS, Goa University. Resource person for the event was Prof. Balaji Jahangirdar, Department of Inorganic and Physical Chemistry, Indian Institute of Sciences, Bangalore. Faculty members, research students and postgraduate students attended the event. The program was coordinated by Prof. S. N. Dhuri with the help of SCS Events Committee.

4. The School of Chemical Sciences in association with Chemistry Department Faculty & Alumni Association CDFAA organized a “10th Annual Homecoming cum Get-together of M.Sc. Chemistry students of 1997-99 Batch after 25 years” on January 26th, 2023, at 2:00 pm in the LH1, SCS, Goa University. Superannuated Senior Professors Prof. S. P. Kamath, Prof. J. S. Budkule, Prof. K. S. Rane, Prof. B. R. Srinivasan interacted with Alumni. Faculty members, CDFAA life members and some research students of the school attended the event. The program was coordinated by Dr. Rupesh Patre (Convener), Dr. Savita A. Kundaiakar (Co-convener) and Dr. Sandesh Bugde.
5. The School of Chemical Sciences organized an invited talk on “C5 Building blocks for sustainability” on November 14th, 2022, at 10:00 am in the LH-1, MSc classroom, SCS, Goa University. The resource person for the event was Dr. C. V. Rode, CSIR Emeritus Scientist, NCL, Pune. The MSc Part-II students, research scholars and faculty members of the school participated in the event. Following teachers were part of the organizing team Dr. Anjani Nagvenkar, Dr. Pranay Morajkar, Dr. Rupesh Kunkolkar, Dr. Prachi Torney, Mr. Vishnu Chari, Dr. Kedar Narvekar and Dr. Shrikant Naik
6. The School of Chemical Sciences organized a Scientific Interactive session on “Crystal engineering of functional solids and their applications” on February 17th, 2023, at 4:15 pm in the committee room, SCS, Goa University. Resource person for the event was Dr. R. Gonnade, Professor, Chief Scientist CSIR-NCL Pune-India. The faculty members and Research scholars along with some MSc students of the school participated in the event. Dr. Prachi Torney and other seminar committee members have organized this interactive session.
7. The School of Chemical Sciences in association with Directorate of Student placement and alumni relations (DSPAR), Goa University have organized “Career opportunities at Bhabha Atomic Research Centre (BARC)” on 13th February 2023 at 10:00 am in the Auditorium, SCS. The aim of the talk was to provide insights on Career in frontline areas of nuclear, accelerator and material science and technology for P.G. students at BARC, Mumbai. Dr. S. V. Thakare and Dr. Vikas Latey, Scientific officers from BARC, Mumbai delivered the talk. The faculty members, Research scholars and P. G. students of Life sciences, Chemical sciences, Physical/Environmental and Geology participated in the program. The event was coordinated by Dr. Delicia Bareto and Dir. DSPAR Rupesh Patre.
8. The Goa State Higher education council and directorate of Higher education in association with School of Chemical Sciences, Goa University organized a talk “Ruthenium catalysts in the synthesis of Therapeutics” under “Vidnyan Dhara 2023” a Mega Science Series on 17th February 2023 at 3:00 pm at Lecture Hall 1, SCS, Goa University. The invited resource person was Dr. Keisham Sarjit Singh, Senior Scientist at CSIR-NIO, Goa. More than 70 participants were present for the talk. Dr. Anjani Nagvenkar coordinated the program along with the seminar committee team of SCS.
9. The School of Physical and Applied Sciences (SPAS) in association with the School of Chemical Sciences (SCS) has organized an “International

Conference on Advanced Materials (ICAM)” from 20th to 24th February 2023 at Chemistry Auditorium, Block E, Goa University. Various delegates from different foreign institutes and colleges attended the conference. Prof. V. M. S. Verenkar, Prof. S. N. Dhuri, Dr. Sandesh Bugde and Dr. Rohan Kunkalekar were part of the organizing committee.

10. The School of Chemical Sciences celebrated National Science Day on 28th February 2023. The SCS seminar committee scheduled a talk on “Quantum Dots for Solar cells” at 10:30 am in the LH1, SCS, Goa University. The resource person was Mr. Sergey Dezhurov, researcher from Applied Acoustic Research Institute, Russia. Faculty members, research students and postgraduate students attended the event. The program was coordinated by Dr. Sandesh Bugde and Dr. Shrikant Naik with the help of SCS Events Committee.
11. The 20th Annual Convention of Association of Chemistry Teachers (ACT-Goa) in association with School of Chemical Sciences was held on 4th March 2023 in Auditorium, School of Chemical Sciences, Goa University. Two scientific sessions were held for the convention and a prominent scientist delivered informative research-oriented talks. Dr. A.T. Biju, Associate professor, Department of chemistry, Indian Institute of Science, Bangalore gave an elaborate talk on use of “N-heterocyclic carbenes in Organocatalysis reaction”. Dr. Velavan Kathirvelu, Associate professor of chemistry, National Institute of Technology- Goa highlighted the importance of “Quantitative Electron Paramagnetic Resonance Spectroscopy in analysis”. Many student-centric competitions were simultaneously carried out for the students from various Higher Secondary’s and Colleges. Poster Competition, Chemistry Solid State Model Making competition and the Chemistry Quiz were held for the teams participating from the education institutes across the state. The program was coordinated by Dr. Vinod Mandrekar as ACT Secretary.

DCT’s Dhempe College of Arts and Science Miramar, Panaji-Goa

1. Promoting entrepreneurship: A Seminar on ‘My Story - Motivational Session by Start-up founder’ was organised on 6th February 2023 by the Institution’s Innovation Council to guide students in entrepreneurship.
2. Beyond-curriculum skill-development training:
The institution started 03 courses in beyond-curriculum skill-development (between January and March 2023) viz.
 - a) Design, Implementation & Testing of Electrical & Electronic Circuits.
 - b) Applying Critical Reading
 - c) Introduction to Translation StudentsA total of 100 students are availing the benefits of the courses.
3. Training in water-sampling and testing (interdisciplinary): 16 students from the Department of Economics were trained by a Resource Person in Biotechnology in water- sampling and testing on 1st and 2nd February 2023. Students learnt to conduct an E-coli test on water samples.
4. Training through Exhibition to develop scientific temper: Different Science exhibitions viz. ‘Amalgam’ by Chemistry, ‘Zooinspiron’ by Zoology,

'Mighty Millets' by Botany, 'Geology ki Duniya' by Geology, 'World of IoT' by Computer Science, 'Chiasma' by Biotechnology and 'Fun with Atoms and Molecules' by Physics were organised to impart vocational training and applications of research among students. Faculty mentors guided students in creating prototypes and posters based on scientific concepts and presenting them to the visitors. Students were trained to make the scientific knowledge relatable and accessible to all visitors. Students from secondary schools, other institutions as well as the general public visited the exhibition.\ Training in social entrepreneurship: Students of TYBA Economics were taken to GIPARD Ela Farm Tiswadi for training and implementation of preparing a project on self- help groups, a village organisation in Old Goa Panchayat and Corlim Panchayat on 10th and 17th January 2023. The Department also organised a one-day exhibition-cum-sale for young entrepreneurs titled, 'A Thousand Shades of Talent' on 19th January 2023. The main objective of this event was to provide a platform to showcase and sharpen student's entrepreneurial skills, to comprehend the notion of developing and marketing a product and to provide an opportunity to learn various aspects of entrepreneurship through real life exposure.

5. Training in social entrepreneurship: Students of TYBA Economics were taken to GIPARD Ela Farm Tiswadi for training and implementation of preparing a project on self- help groups, a village organisation in Old Goa Panchayat and Corlim Panchayat on 10th and 17th January 2023. The Department also organised a one-day exhibition-cum-sale for young entrepreneurs titled, 'A Thousand Shades of Talent' on 19th January 2023. The main objective of this event was to provide a platform to showcase and sharpen student's entrepreneurial skills, to comprehend the notion of developing and marketing a product and to provide an opportunity to learn various aspects of entrepreneurship through real life exposure.

SPES's Goa Multi-Faculty College,Dharbandora-Goa.

1. On 06/01/2023 an Industrial visit to Goa Dairy, Curti, Ponda-Goa was organized.Students were given insights about dairy farming and milk productions.
2. On 10/03/2023 organized an exposure visit for the students of BCA to National Institute of Oceanography - CSIR, Dona Paula, Goa Science Centre, Miramar, and Central Library, Patto – Panaji.

Parvatibai Chowgule College of Arts and Science (Autonomous)

1. The Department of Economics in collaboration with SOIM, Hyderabad organized a webinar on the topic "Corporate Etiquettes for Young Managers" on 13th January, 2023.
2. A "Field Visit to the Pre-incubation unit at Forum for Innovation Incubation Research and Entrepreneurship (FiiRE), Don Bosco, Fatorda" was organized by the Innovation Cell to foster the culture of Innovation and Incubation amongst the students of the college on 13th January, 2023.
3. Institution's Innovation Cell in collaboration with the Department of Information and Technology, Electronics and Communications organized

"Goa Startup Yatra 2023" on 19th January, 2023 to build New-Age entrepreneurs. A total of 92 students and 7 faculties attended the same.

Rosary College, Navelim Salcete – Goa

1. Conducted Blockchain fundamentals Certificate course from 06-01-2023 to 24-01-2023.
2. Conducted IT Fest NOESIS 2023 from 27-01-2023 to 28-01-2023.
3. Conducted a Seminar on Goa Startup Yatra 2023 on 02-02-2023.
4. Conducted a Talk on Dare to be Different-Talk on Building Entrepreneurial Mind-set and Skills on 04-02-2023.
5. Conducted Workshop on "Business Etiquettes" on 11-02-23 & 13-02-2023.

GVM's Dr. Dada Vaidya College of Education, Farmagudi, Ponda Goa

1. Film-making Workshop
A film making workshop was undertaken by our faculty Mr. Diptej Vernekar, Assistant Professor in Fine Arts on 9th and 10th February for the students of our college. Following topics were covered: Introduction to the types of fills making process, scripting, shooting content and post production with its relevance in teacher training program.
2. Training Sessions
GVM's Dr. Dada Vaidya College of Education in collaboration with JCI Bardez Bandhan conducted following programs on 10th March 2023:
 - 1) Skill Development (Public Speaking)
 - 2) Stress Management
 - 3) Leadership
 - 4) NLP Based Communication Skills

Narayan Zantye College of Commerce, Bicholim-Goa

1. Department of Mathematics organised Quiz competition for our college students on 17th February, 2023 on the topic 'Basis Mathematics'. Total 32 students appeared for the quiz. Certificates were given to all the participants.
2. Open day was organized for F.y. & S.Y. B.Com. students on 6th February, 2023 Mentor of all classes meet parents/guardians of mentees and discussed academic & overall performance of students.
3. We organized session on Entrepreneurship on 3rd February, 2023 in our college. 86 B.Com. students attended the programme.
4. Entrepreneurship cell in collaboration with dept. of IT, Electronics & Communication & Startup Promotion Cell organized workshop on the topic 'Goa startup Yatra 2023' for undergraduate students of our college on 24th January, 2023. 87 students (Male-35, Female – 52) attended the talk.
5. Rotaract Club volunteered the flagship event 'Rotathon 2023' on 15th January, 2023. 8 Rotractors along with help of NSS students actively proffered for the successful completion of mega project.

Engagement Activity	<p>School of Chemical science-Goa University –</p> <ol style="list-style-type: none"> 1. Institutional Visit to School of Chemical Sciences by students and teachers of Department of Chemistry, Rashtrasant Tukadoji Maharaj Nagpur University, Maharashtra, was facilitated on 16 th January 2023. The instrumentation facilities available at SCS were shown to the visiting students. Dr. Vinod Mandrekar briefed the visiting students about various activities and facilities of the school. The Ph. D. opportunities available, Funding’s from various agencies, Collaborative research, the Material Characterization Laboratory, the CDFAA activities were also highlighted during the discussion. Around 48 MSc students and 7 faculty members have visited the school. The students were shown the MSc laboratory facilities, research labs and sophisticated instrumentation facilities like XRD, NMR, LC-MS, TGA, UV visible spectroscopy etc. available at SCS. The assigned SCS faculties: Ms. Siddhi Salgaonkar, Dr. Diptesh Naik, Dr. Rohan Kunkolekar along with research scholars explained the instrumentation facilities to them. Dr. Vinod Mandrekar led this program coordination as convenor. 2. Institutional Visit to School of Chemical Sciences by students and teachers of Bharati Vidyapeeth&’s Dr. Patangrao Kadam Mahavidyalaya, Sangli, was facilitated on 21 st February 2023. The instrumentation facilities available at SCS were shown to the visiting students. Dr. Vinod Mandrekar briefed the visiting students about various activities and facilities of the school. The Ph.D. opportunities available, Funding’s from various agencies, Collaborative research, the Material Characterization Laboratory, the CDFAA activities were also highlighted during the discussion. Around 37 MSc students and 3 faculty members have visited the school. The students were shown the MSc laboratory facilities, research labs and sophisticated instrumentation facilities like XRD, NMR, LC-MS, TGA, etc. available at SCS. The assigned SCS faculties: Ms. Siddhi Salgaonkar, Dr. Rohan Kunkolekar, Dr. Diptesh Naik along with research scholars explained the instrumentation facilities to them. Dr. Vinod Mandrekar led this program coordination as convenor. 3. Institutional Visit to School of Chemical Sciences by M.Sc. students and teachers of Department of Industrial Chemistry, Shivaji University, Kolhapur was facilitated on 17 th March 2023. The instrumentation facilities available at SCS were shown to the visiting students. Dr. Rohan Kunkolekar briefed the visiting students about various activities and facilities of the school. The Ph. D. opportunities available, Funding’s from various agencies, Collaborative research, the Material Characterization Laboratory, the CDFAA activities were also highlighted during the discussion. Around 25 MSc students and 2 faculty members have visited the school. The students were shown the MSc laboratory facilities, research labs and sophisticated instrumentation facilities like XRD, NMR, LC-MS, TGA, etc. available at SCS. The assigned SCS faculties: Ms. Siddhi Salgaonkar, Dr. Diptesh Naik along with research scholars explained the instrumentation facilities to them. Dr. Vinod Mandrekar led this program coordination as convenor. 4. Institutional Visit to School of Chemical Sciences by students and teachers of Shree Ram Vidhaya Mandir school, Colvale was facilitated on 10 th
---------------------	---

February 2023. Around 60 students and 2 faculty members have visited the school. The students were informed about various academic opportunities available after their Graduation at Goa University. The students were shown the MSc laboratory facilities, and research laboratories. The assigned SCS research scholars demonstrated some live chemistry experiments and explained the chemistry behind the experiment to them. Dr. Vinod Mandrekar led this program coordination as convenor.

5. Institutional Visit to School of Chemical Sciences by students and teachers of Department of Chemistry, PG section, Organic Chemistry, Smt. Kasturbai Walchand College, Sangli, was facilitated on 13 th March 2023. Around 10 MSc students and 2 faculty members have visited the school. The instrumentation facilities available at SCS viz. AES, Single crystal XRD, NMR, MS, VSM, TGDTA, etc. were shown to the visiting students. Dr. Sandesh Bugde and Dr. Diptesh Naik were involved in healthy discussion with the students on the academic aspects of the school. Dr. Vinod Mandrekar briefed the visiting students about various activities and facilities of the school. The assigned SCS faculties: Ms. Siddhi Salgaonkar, along with research scholars explained the instrumentation facilities to them. Dr. Vinod Mandrekar led this program coordination as convenor.
6. The School of Chemical Sciences (SCS), Goa University in association with the extramural committee of SCS organized a “Blood donation camp” at Block E, SCS on 1st February 2023 as a part of Swaccha Bharat Student Internship (SBSI) of biochemistry students. A team consisting of a doctor and technical staff from Goa Medical College (GMC) visited SCS with the necessary equipments for blood collection. Altogether 43 donors including faculty members of Goa University, research students, MSc students and non-teaching staff participated in the blood donation. The activity was coordinated by Dr. Prachi Torney with the help of Extramural committee members Dr. Prajesh Volvoikar, Dr. Diptesh Naik, Dr. Kiran Dhavskar, Mr. Vishnu Chari.
7. The Association of Chemistry Teachers (ACT-Goa) in collaboration with the School of Chemical Sciences, Goa University organized the “All Goa Intercollegiate Chemistry Quiz” separately for the students of T.Y. B. Sc. Chemistry, and M. Sc. Chemistry at School of Chemical Sciences, Goa University on 10 th February 2023 02:30pm. 08 teams from undergraduate colleges and 07 teams from postgraduate colleges across the state participated in the quiz. Dr. Rohan Kunkolekar was the Quiz coordinator and Quiz Master for P.G. Quiz and Dr. Rajesh Parvatkar was Quiz master for U.G. Quiz. The in-charge of both Quizzes was Dr. Vinod Mandrekar. The event was coordinated by Dr. Vinod Mandrekar, Dr. Diptesh Naik and Dr. Rohan Kunkolekar.
8. To commemorate the Birth Anniversary of Swami Vivekananda! The School of Chemical Sciences celebrated National Youth Week and organized a “Talent Search Event” on January 16th, 2023, at 4:00 pm in the Auditorium, SCS Goa University for M.Sc. students (Part-I and Part-II). The MSc students participated and showcased their talent in Singing, dancing, etc. The following faculty members were part of the organizing team Dr. Anjani Nagvenkar, Dr. Rupesh Kunkolkar, Dr. Prachi Torney.

School of Biological Sciences and Biotechnology, Goa University –

1. Unnat Bharat Abhiyaan in association with the School of Biological Sciences and Biotechnology, Goa University, and Gram panchayat Madkai conducted one day workshop on “Marine farming and society engagement in coastal state- Goa” on 4 February 2023 at Madkai Gram panchayat, coordinated by Dr. Lata Gawade, Asst. Professor of Microbiology, SBSB, Goa University. The purpose of the workshop was to make people aware of marine farming and its practice in the coastal villages of Goa. Goa being a coastal state has huge opportunities for marine farming that can lead to self-employment and entrepreneurship in the state. Workshop began with the inaugural function and was attended by approx. 300 participants consisting of people from different villages of Goa, students from Goa University and various colleges as well as faculty members. The one-day workshop was scheduled with expert talks on mussel farming and seaweed cultivation, and hands-on training for mussel and seaweed cultivation in the field. Green mussel spat and seaweed seedlings were distributed among people in the hands of the chief guest of the function, Shri Sudin alias Ramkrishna Dhavalikar, honorable minister of Power (inaugural function), and Shri Ramesh Tawadkar, Honorable Speaker, Goa Legislative Assembly (valedictory function). The workshop was completed with the national anthem. Later, the honorable speaker, GLA visited the mussel cultivation site at Aksan Madkai.
2. School of Biological Sciences and Biotechnology- Goa University organized a public lecture on the occasion of National Science Day-2023, 28 February 2023, coordinated by Dr. Lata Gawade, Asst. Professor of Microbiology, SBSB, Goa University. Prof. Dr. Bela Buck, Scientist from Alfred Wegener Institute, Helmholtz Centre for Polar & Marine Research-Bremerhaven, Germany, delivered a talk on “Aquaculture perspective of multi-use sites in the open ocean: the untapped potential for marine resources in the Anthropocene”. The talk was arranged with the aim to sensitize the untapped potential for marine resources in the Anthropocene. It was a very informative talk about the new techniques in marine farming particularly in the open ocean and in wind farm areas and the global demand and need for marine farming. The talk was attended by students, faculties, and the general public including some of the NGOs from Goa.
3. Dr. Lata Gawade, Asst. Professor of Microbiology, SBSB-Goa University, delivered a public talk on “Marine farming: Mussel cultivation in coastal state-Goa” during the Aqua Goa Mega Fish Festival- 2023 on 10 th February 2023 organised by Directorate of Fisheries – Govt. of Goa.
4. School of Biological Sciences and Biotechnology arranged a talk on “Biological challenges for sustainable ocean agriculture” by Dr. R. A. Narayanan on 9th February 2023, coordinated by Dr. Lata Gawade, Asst. Professor of Microbiology, SBSB, Goa University. Dr. R.A. Narayanan delivered a talk on seaweed cultivation towards sustainable ocean agriculture highlighting the demand for seaweed in the Indian market and companies, and hence a need for large-scale seaweed cultivation. He also explained various techniques of seaweed cultivation and new technologies in seaweed research that was very much beneficial to the audience,

particularly the research scholars and faculties working on seaweed aspects, and also inspired others to take up research in this line.

St. Xavier's College, Mapusa- Goa

1. Miramar Beach cleaning - 12th Jan

On 12th January 2023 St Xavier's College 1 Goa BN NCC Boys Unit Cadets participated in Puneet Sagar Abhiyan on National Youth Day Program at Miramar Beach, Panaji Goa.

G.V.M.'s Gopal Govind Poy Raiturcar College of Commerce and Economics Farmagudi, Ponda – Goa

1. Eco Trail 12 th February 2023: Natures trail was conducted for students in Bandora panchayat area to identify water bodies and restore them. Further the drive also included talk on flora and fauna in the area with special session on mushrooms cultivation.
2. Cloth Bags distribution from 13 th to 18 th March 2023: Around 2000 Cloth Bags Stitched by the students were distributed in various institutions for creating sense of responsibility towards environment for reducing plastic waste. Around 15 students participated in the same.

DCT's Dhempe College of Arts and Science Miramar, Panaji-Goa

1. Academic Engagement with secondary school students through VidnyanDhara: As part of the initiative by the Directorate of Higher Education (DHE) and Goa State Higher Education Council (GSHEC), faculty members Dr. Shashank Mhaldar and Dr. Chandan Naik (Chemistry), Dr. Shilpa Bhonsle and Dr. Ashish Prabhugaonkar (Botany), Dr. Miskil Naik (Physics) and Dr. Trupti Jadhav (Zoology) curated and imparted special knowledge on various scientific topics to students from secondary schools between 1st and 23rd February 2023. Their presentations were designed to make scientific epistemology interesting for students and motivate them in applying this knowledge in everyday life and in learning.
2. Academic engagement with higher secondary schools for session on sustainability: Ms. Sendra Pereira engaged in an interactive session with the students of Madkaikar Higher Secondary School of Arts and Science at Corlim, Goa on the topic Art of Sustainable living on 12th January 2023.
3. Academic engagement with school students for awareness in mangroves: Ms. Rashmita Mhaldar conducted three awareness sessions on mangroves for school students of Montessori Primary School, Goa Velha on 1st March 2023, Dr. K. B. Hedgewar Primary School, Panaji on 10 th March 2023 and Saint Michael Primary School, Caranzalem on 13 th march 2023 organised by WWF Goa office as part of Shorelore 2023 program.
4. Language development in community: Ms. Shilpa Naik coordinated a ten-day Saral Sanskrit Sambhashan Shibiram organised by Sanskrit Bharati,

North Goa in collaboration with DCT's Dhempe College of Arts & Science, Panaji Goa held from 19th to 28th February 2023. Members from the general public participated in the workshop.

5. Training students in community engagement: 53 students of SYBA Economics conducted a survey on 25th February 2023 on the utilities available to keep the city of Panaji clean. They also found out about the employment for locals in and around Panaji.
6. Participation in Purple Fest and launch of Audiopustakam: Faculty members from the Departments of Computer Science and Konkani showcased Audio pustakam (Konkani) as a device for learning for the Divyang students at the Purple Fest, organised by State Commissioner for persons with disabilities in association with Directorate of Social Welfare and Entertainment Society of Goa held from 6th to 8th January 2023.
7. Academic Outreach Conclave 3.0 - A Students' Webinar Series: The IQAC of the College organised an academic outreach programme in the form of a Students' Webinar Series titled 'Conclave 3.0'. 31 students guided by faculty mentors made presentations on topics ranging from gene editing technology, marine resource management, traditional water conservation, using IoT in everyday technological systems, India's foreign policy and impact, language and development, fundamentals of creative writing, reducing plastic consumption, preventing depression, use of integral yoga, negative impact of binge-watching, and animal assisted therapy. The objective of the series was to facilitate interdisciplinary interactions and discuss innovative concepts affecting everyday lives with students, academicians and the general public.

Ganpat College Of Education Harmal

1. Beach Cleaning Activity: It was carried out on 06/02/2023 by group of our students and faculties of our college at Arambol beach to clean and keep our beach clean as a part of community engagement activity.
2. Cleanliness Drive: Cleanliness drive was conducted from Our college to Harmal Palye road by group of students and Faculties of our college on 25/03/2023.
3. Rally on Nasha Mukta Abhiyan: Our college organised rally on 29/03/2023 to sensitise people on ill effects of chewing tobacco, drinking liquor and drugs. Rally started from Harmal Junction to College campus.

MES College of Arts & Commerce

1. Social Outreach Program-Adoption of Zari Village
Dr. Freda Cota e Pereira, Associate Professor and head of Psychology dept, of M.E.S College in association with Sarpanch Santosh and Sancoale Sarpanch Smt. Rohini D. Toraskar, participated in a social outreach program in adopting a small village at Sancoale village, on 4 th February 2023. In this programme decisions were taken to help these village children by providing books and other study materials. Parents and children were

provided with counselling to minimize school / college drop- outs, they were also explained the importance of education and careers in which they can proceed. Parents and community were also educated on various current relevant issues including environment, health, education and govt. schemes. Community members were also given a talk on how they can be helped with domestic and community issues. This was a part of the extension social outreach program being conducted by MES College on the occasion of their 50th anniversary. Dr. Freda Cota e Pereira played a role to act as felicitator and also look into civic amenities of the locality. It was a small contribution in making India better. The programme was concluded with a vote of thanks by Mr. Toraskar.

Dempo Charities Trust's Srinivassa Sinai Dempo College of Commerce & Economics Cujira, Bambolim Goa

1. The NSS Unit in collaboration with Unnat Bharat Abhiyan, Institution & Innovation Council (IIC), and Alumni Association of Srinivassa Sinai Dempo College of Commerce and Economics, Cujira, Bambolim - Goa organised an event "Udyojikaa-2023" to commemorate International Women's Day on 8th March, 2023 from 8.00 am to 2.00 pm. The purpose of this event was to create a platform to promote and support women entrepreneurship. The event was formally inaugurated by Chief Guest, Dr Faiza Aga. Two Self Help Groups and 9 independent women entrepreneurs from the neighbouring villages of Bambolim, Taleigao, Chimbel, Old Goa and Goa-Velha exhibited food items, decorative handicrafts, gift items, jewellery, etc. Thirty students and alumni entrepreneurs participated enthusiastically along with their products like food, hair accessories, handicrafts, mehendi, bath and body care, etc. The event evoked a very good response from all stakeholders participated in said programme.

Fr. Agnel College of Arts & Commerce Pilar – Goa.

1. Fr. Agnel College conducted Calangute Beach cleaning on 7th January 2023.
2. Fr. Agnel College conducted Social Service and Community Development at 01 Goa Naval Unit Mapusa on 18.01.2023.

SPES's Goa Multi-Faculty College, Dharbandora-Goa.

1. On 08/03/2023 a talk on 'Legal Safeguards for Women in the Workplace,' was held by Advocate Yogita Kamat.

Parvatibai Chowgule College of Arts and Science (Autonomous)

1. Students and teachers of the Departments of Biochemistry and Biotechnology had an Industry visit to Amul milk processing and packing unit at Igloo Dairy, Kundaim Industrial Estate, Ponda, Goa on 19th and 24th January, 2023.
2. A visit was planned to the School of Biosciences, BITS Pilani, Goa Campus in view of Institute Academia collaboration for the students and teachers of the Departments of Botany and Biochemistry, and Biotechnology on 16th January, 2023.
3. The Department of Economics organized two-day overnight community outreach program for the students of the Department at Balram Residential School, Gaondongrim, Canacona Goa on 28th-29th January, 2023 to give the students a new viewpoint and exposure to the living ways of the villagers and also the students studying and living in the hostel of Balram School.
4. The Department of Geography under the aegis, "Geographers for Sustainability" undertook "Beach Cleanup" at Sernabatim Beach, Salcete-Goa on 13th January, 2023. As part of the pre-Festival activities of the 6th Edition of "Goa Bird Festival" by the Goa Forest Department, the Birder's Club, Department of Zoology of Parvatibai Chowgule College of Arts and Science organized Bird walks for School Children in Salcette Goa from January 11-14, 2023.
5. The FIREBITS in collaboration with THE BERET BUNCH (Department of Computer Science) organized a Community Outreach Programme i.e. "a visit to Matruchaya Orphanage -Balika Kalyan Ashram" wherein they donated milk cartons and some cash as financial aid on 02 nd February 2023. Department of Psychology organized a "Field Trip to SETHU - Saligao, Sanjay School - Porvorim", i.e., to orient students about the skills required for counseling and process of handling a special child on 9th March 2023.
6. The Department of Hindi organized a "Visit to Gujrati Samaj Educational Trust (the Handicapped)" for the students on 23rd March 2023.

Rosary College, Navelim Salcete – Goa

1. Conducted an E-waste Collection Drive in College on 15-02-2023.
2. Conducted Workshop on Making of Organic Colours 04-03-2023.

GVM's Dr. Dada Vaidya College of Education, Farmagudi, Ponda Goa

1. "Vidnyan Dhara" Environmental Chemistry
The Directorate of Higher Education (DHE) and Goa State Higher Education Council (GSHEC) organized "Vidnyan Dhara" in our college on 7th January 2023. The talk created a lot of awareness amongst the teacher trainees about the environment and pollution.
2. Street Play
"Udak Udak" Water for sustenance of Life. 11th February 2023. Performed for Yuva Jagriti which is in collaboration with Goa State Bio diversity Board, organized by Abhivyaktee.
