Sweets were distributed to all the visitors and bookmarks were also presented as a token of love.</p> <p>Book Pyramid was created by the Library staff and beautiful rangoli depicting importance of the day was put by Mr. Adarsh Naik and Ms. Manjita Gauns Desai from Marathi discipline.</p>
<p>12. Benefit/Key outcomes of the Program/activity/event</p>	<p>Librarians are amazing resources for finding accurate information. They have years of experience and training, and can help guide their patrons in the right direction so that they can find what they're looking for. By recognizing their contribution to our society, we are celebrating the important work that they do.</p> <p>By providing a safe space for people to explore and learn, libraries become a key part of any neighborhood. They create an atmosphere where everyone is welcome and respected, regardless of background or socioeconomic status. Additionally, many libraries host events and activities that bring people together.</p> <p>In an era where technology has drastically</p>

	<p>changed how people access information, libraries still remain devoted to the promotion of literacy and education. Along with traditional books, many libraries also offer classes on computer usage, writing skills, career development and more - acting as invaluable educational aids for adults and children alike.</p>
