The objective / description of the activity (50 words)	<p>The Discipline of Computer Science and Technology (DCST) of Goa Business School, Goa University has organised an Alumni Meet on Sunday 16th April 2023.</p> <p>The alumni meet served as a platform for the students and alumni of DCST to reconnect, share knowledge and to celebrate the accomplishments and contributions to the field of computer science. The objective of this alumni meet was to kickstart a discussion on the setup of an Alumni Association. In addition, sought their inputs on Infofest 2023 and suggestions on planning a grand Alumni meet later in the year.</p> <p>The main objective of this meet is to establish a network with students, faculty members and alumni of DCST and to seek employment opportunities for students in the companies where the alumni are currently established. Also, alumni can help current students of DCST to provide internships and trainings. Alumni settled in various cities of India can help in hosting our students to their city during the study cum placement tour which is being organised by DCST every year, this also may lead to getting jobs in the reputed company.</p>
