Report on *India-France Culturescapes*,

an initiative as part of 75 Azadi Ka Amrit Mahotsav

Dr. Irene Silveira conceptualized and conducted an innovative online learning experience entitled *India-France Culturescapes* from 14th July to 15th August 2022. The series of online sessions was part of the Freedom Festival 2022, organized to commemorate 14th July-a day synonymous with the rise of people in France for freedom, and 15th August- the day of Independence cherished by every Indian.

The innovative online learning experience aimed at creating awareness about the rich cultural heritage and indomitable spirit of freedom of India and France. The informative sessions were greatly appreciated by participants- students from Goa University, schools and colleges as well as members of the general public. This community initiative by Dr. Irene Silveira was part of 75 Azadi Ka Amrit Mahotsav and included 75 hours of community service.
