Report on

National Conference on Recent Advances in Plant Sciences & Biotechnology

1. Title of the Event/Activity/program	National Conference on Recent Advances in Plant Sciences & Biotechnology
2. Date and Time	26 th and 27 th October, 2023
3. Mode of conduct (Physical/Online)	Physical
4. School/ Directorate/ Section	School of Biological Sciences & Biotechnology
5. Collaborating Agency/School/Directorate	Nil
6. Detail of the Resource Person (Brief biodata)	<p>1. Prof. Rajagopal Subramanyam Professor and Head, Department of Plant Sciences, School of Life Sciences, University of Hyderabad, Hyderabad.</p> <p>2. Dr. Ritesh Kumar Choudhary Scientist E, Agharkar Research Institute, Pune.</p> <p>3. Dr. K. K. Manohara Senior Scientist, Genetics and Plant Breeding, ICAR-CCARI, Ela, Velha Goa.</p> <p>4. Dr. Smitha Mitbavkar Principal Scientist, Department of Biological Oceanography (BOD), CSIR-NIO, Goa.</p> <p>5. Dr. Amar Pal Singh Staff Scientist V, National Institute of Plant Genome Research, New Delhi</p>

	<p>6. Dr. Ashutosh Pandey Staff Scientist III, National Institute of Plant Genome Research, New Delhi</p> <p>7. Dr. Avneet Pal Singh Assistant Professor, Mycology and Plant Breeding, Punjabi University, Patiala, Punjab.</p>
7. Number of Faculty attended/participated	20
8. Number of Student attended / participated	80
9. No. of external students/faculty/other participants	27
10. The objectives of the Program/activity/event	The objective of the conference was to bring together plant biologists across the country who would deliver inspiring talks and share their latest findings and experiences. Also to bring highly accomplished researchers to deliberate and come out with useful recommendations.
11. Description of the Program/activity/event	Two days National Conference on Recent Advances in Plant Sciences and Biotechnology was organized by the Botany discipline, SBSB at Goa University on 26 th & 27 th October, 2023. The National Conference was inaugurated by the honorable Director of ICAR-CCARI, Old Goa Dr. Parveen Kumar. There were eight sessions with seven lead lectures, 12 oral presentations, and 20 poster presentations. The felicitation of our senior Prof. P. K. Sharma & Prof. Vijaya U. Kerkar, who are superannuating this year was done during inaugural function.
12. Benefit/Key outcomes of the Program/activity/event	To gain the recent scientific developments, practical challenges faced, and effective solutions in all aspects of plant biology and biotechnology. M. Sc. students, research students, and faculty members benefitted from the event.
13. Enclosures with report	Brochure, Invitation of Inaugural function, Geo-tag photos, Attendance of students/faculty/external participants, Programme Schedule etc.

BACKGROUND/ THEME & OBJECTIVE

Research in Plant Sciences is making rapid advancement with newer ideas and challenges. The National Conference on Recent Advances in Plant Sciences & Biotechnology is expected to be attended by participants from all over India. The conference is organized to honour Senior Prof. P. K. Sharma & Prof. Vijaya U. Kerkar, who are superannuating this year. The goal of the conference is to bring highly accomplished researchers to deliberate and come out with useful recommendations.

THEMES

1. Biodiversity of Plants & Microbes
2. Plant-Animal interactions
3. Phytochemistry & Bioprospecting
4. Developmental Biology
5. Mycology & Plant Pathology
6. Algal & Plant Biotechnology
7. Ecophysiology & Molecular Biology

PUBLICATION OF SEMINAR PAPERS

Selected papers will be published by a prominent publisher after peer review process. Manuscript should be in camera ready form and should not exceed four typed pages. Manuscript should contain a short running title with name of authors, their affiliation, brief introduction, experimental, results and discussion, conclusions and references. Figures and tables are to be interposed in the text with captions. Authors are requested to prepare the manuscript in MS WORD using Arial font (12 size) and 1.5 lines spacing in the main text.

CALL FOR PAPERS

Authors/delegates are invited to submit online abstract (one page) accompanying a filled in registration form and the registration fee on or before 30th September 2023. Facilities for Power Point presentation will be made available. The poster dimension should be 120 cm x 100 cm.

About....

The state of Goa is a smaller state in India, a biodiversity hotspot harbouring ecosystems like marine, estuaries, sand dunes, beaches, lateritic plateaus, mangroves, khazans, riverine as well as forests and grasslands. Panjim, the capital city located in the center is well-connected with two international airports, roads and trains from all parts of the country. The state is known for its temples, churches, lakes, springs, waterfalls and famous beaches. Peaceful Goan lifestyle and cultural heritage lures a large number of tourists every year.

Goa University, accredited with B++ grade and ranked between 101- 150 by NIRF, ranked 23rd by India Today and ranked 35th by Outlook Hake 2022. Goa University is located on Taleigao Plateau overlooking Zuari estuary on a picturesque campus spread over 402 acres with state-of-the art infrastructure. It offers 33 programmes leading to PG and 25 programmes leading to Ph.D. degree in various disciplines.

Botany Discipline was established in June 1990 and recognized for continuous UGC-SAP assistance since 2000 and DST-FIST assistance in 2000 and 2010 and assisted financially by national funding agencies like DBT, DST, CSIR, ICMR, ISRO, MOEF, Planning Commission etc.. The thrust areas of the discipline include Biodiversity, Eco-Physiology, Plant Biotechnology and bioprospecting.

ACCOMODATION

The city of Panjim in particular and Goa in general has a large number of excellent hotels. Panjim is approx. 8km from the Goa University, venue of the seminar hall, is well connected with local bus service. However, it may be noted that there are no UBER and OLA services available in Goa. For more info please visit the hotel sites. Limited guest house accommodation for students/ staff is available.
