Conference

Línguas são portas: a didática de línguas em contextos multilingues

Maria Helena Araújo e Sá
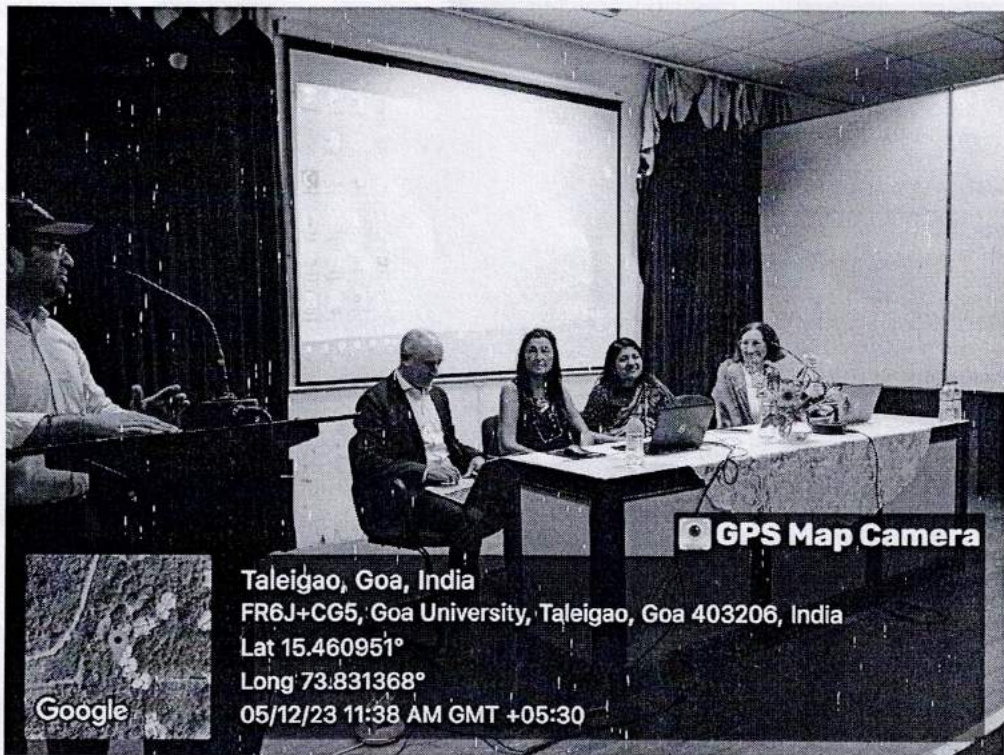

Filomena Martins

A perspective of language understood as a space of hybridization, encounter, creation and intercultural enjoyment, an open space for the discovery of oneself, the other and the world, which implies approaching it as a dialogical social activity that takes place in a situation of intercultural communication. Secondly, through the illustration of some concrete proposals, the educational implications of this approach to languages will be discussed from the point of view of plural language teaching, oriented towards the values of plurilingualism and interculturality and deeply committed to an ethic of human understanding.
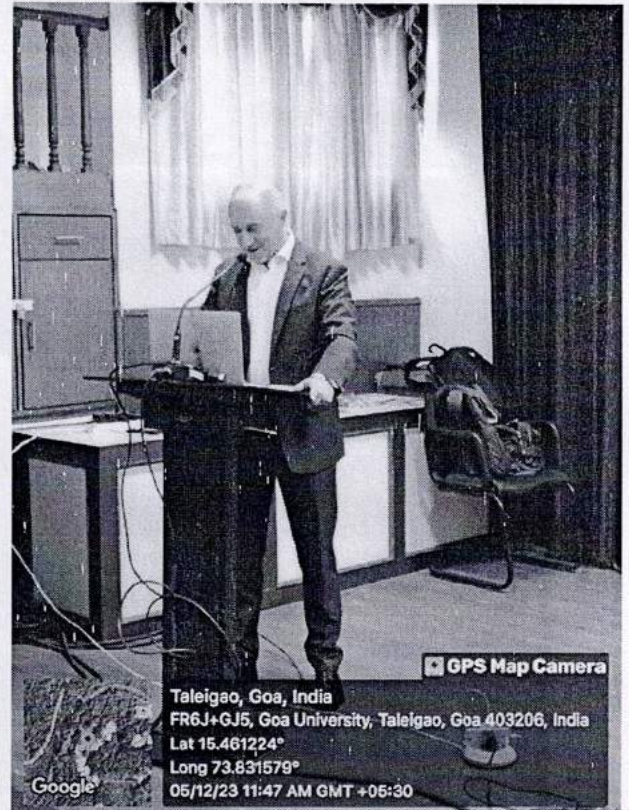

December, 5, 2023
11h30
Seminar Hall, Block B, SGSLL, Goa University
