ADVERTISEMENT FOR JRF

Applications are invited from eligible candidates for **ONE** post of Junior Research Fellow (JRF) to work in a research project entitled '**Metal bioavailability in intertidal sediments and bioaccumulation in benthic biota in tropical estuaries of Maharashtra, west coast of India to understand implications of metal toxicity**' funded by DST-SERB-SURE, India. The project duration is for three years and the project fellow needs to work at Marine Science, School of Earth, Ocean and Atmospheric Sciences (SEOAS), Goa University.

The JRF position is purely on a temporary basis, and the appointment will be for one year and extendable for additional year depending on the performance of JRF.

**Essential qualifications:** Master's degree in Marine Science/Marine Chemistry with > 60 % from a UGC recognised University. Should have good research aptitude skills. The candidates with good understanding on metal speciation in sediments, benthic biota analysis and experience in handling analytical equipment for metal analysis will be preferred. The selected candidate is required to participate in field surveys to collect sediment and biota samples.

**Salary:** With JRF-NET qualification: Monthly emoluments Rs. 31,000.00 (+ 8% HRA)

Without JRF-NET qualification: Monthly emoluments Rs. 25,000.00 (+ 8% HRA)

The interested candidates are required to email their application and copies of all mark-lists/certificates to PI of the project **Dr. Maheshwar R. Nasnodkar** [maheshwar@unigoa.ac.in](mailto:maheshwar@unigoa.ac.in) on or before 08/01/2024. The shortlisted candidates will be informed through email and will have to appear for personal interview with original mark-lists/certificates at Marine Science, SEOAS, Goa University on 11/01/2023 at 2.30 pm.

No TA/DA will be paid to the candidates appearing for the interview.
