**Parrikar National Moot and Policy Hackathon, 2024**

Date :- 17 January 2024

This is to inform that Manohar Parrikar School of Law, Governance and Public Policy had organised a National Moot Court and Policy Hackathon Competition, on 11th and 12th of January 2024. The National Moot Court and Policy Hackathon was to provide law students with a simulated courtroom experience, allowing them to develop and practice their advocacy and legal research skills. Moot court competitions typically involve participants (law students) presenting oral arguments based on a hypothetical legal case. The case addressed complex legal issues and involve issues of Human Rights. Policy Hackathon aimed to ignite the young minds by giving them a problem and ask them to draft a policy for the same.
