ABOUT THE SCHOOL

The School of Sanskrit, Philosophy and Indic Studies (SSPIS) is the outcome of integrating two separate academic units at Goa University, namely, the Department of Philosophy, and the nascent School of Sanskrit and Indic Knowledge Systems into a composite whole for wider and deeper engagements.

Currently, the SSPIS offers M.A. in Philosophy, M.A. in Sanskrit and Ph.D in Philosophy, encompassing both the Indian and Western Philosophical specializations. Built on the classical foundations, the curriculum addresses contemporary developments and prepares the students for an informed and meaningful life.

Through its academic programmes, SSPIS aims to explore the dialogical potentials of our ancient knowledge and wisdom traditions with our contemporary concerns in order to build a cosmopolitan knowledge community, capable of addressing the societal challenges from the perspective of the Humanities discipline aimed at molding the enlightened citizens.
