

Report of Institutional Visit by National Forensic Science University, Curti, Ponda, Goa

National Forensic Science University, Curti, Ponda, Goa visited the School of Chemical Sciences (SCS), Goa University on 01st December 2023. A total of 42 undergraduate students and two teachers visited the school. Dr. Shrikant R. Naik and Dr. Amrita P. Kharangate welcomed the students and the teachers to the school. During the discussion, faculty and students of the visiting university were made aware of the Ph.D. opportunities at SCS, various funding agencies, Collaborative research, Material Characterization Laboratory, CDFAA activities, etc. The instrumentation facilities available at SCS were shown to the visiting students. MSc laboratory facilities, research labs, and sophisticated instrumentation facilities like XRD, NMR, Raman, LC-MS, TGA, UV visible spectroscopy, etc., available at SCS were also shown. The instrument in charge and other research scholars explained the instrumentation facilities to the students. Dr. Amrita P. Kharangate coordinated this visit.

Feedback/Remark:

The visit is really fruitful and knowledgeable student are able to well known about these advanced equipments like NMR, HPLC, photoluminescence, XRD, PL, Raman. The visit is very important & knowledgeable to student.

School of Chemical Sciences, Goa University is well equipped with high end instruments and the visit would definitely benefit students as it adds to their academic knowledge and better understanding of subjects. Scholars have really good knowledge and the demonstration was remarkable.
