

Report of Institutional Visit by MES Mampad College, Malappuram Kerala.

MES Mampad College, Malappuram, Kerala visited the School of Chemical Sciences (SCS), Goa University on 30th January 2024. A total of 38 undergraduate students and two teachers visited the school. Dr. Shrikant R. Naik welcomed the students and the teachers to the school. During the discussion, faculty, and students of the visiting College were made aware of the Ph.D. opportunities at SCS, various funding agencies, Collaborative research, Material Characterization Laboratory, CDFAA activities, etc. The instrumentation facilities available at SCS were shown to the visiting students. MSc laboratory facilities, research labs, and sophisticated instrumentation facilities like XRD, NMR, Raman, LC-MS, TGA, UV visible spectroscopy, etc., available at SCS were also shown. The instrument in charge and other research scholars explained the instrumentation facilities to the students. Dr. Shrikant R. Naik coordinated this visit.

Feedback/Remark:

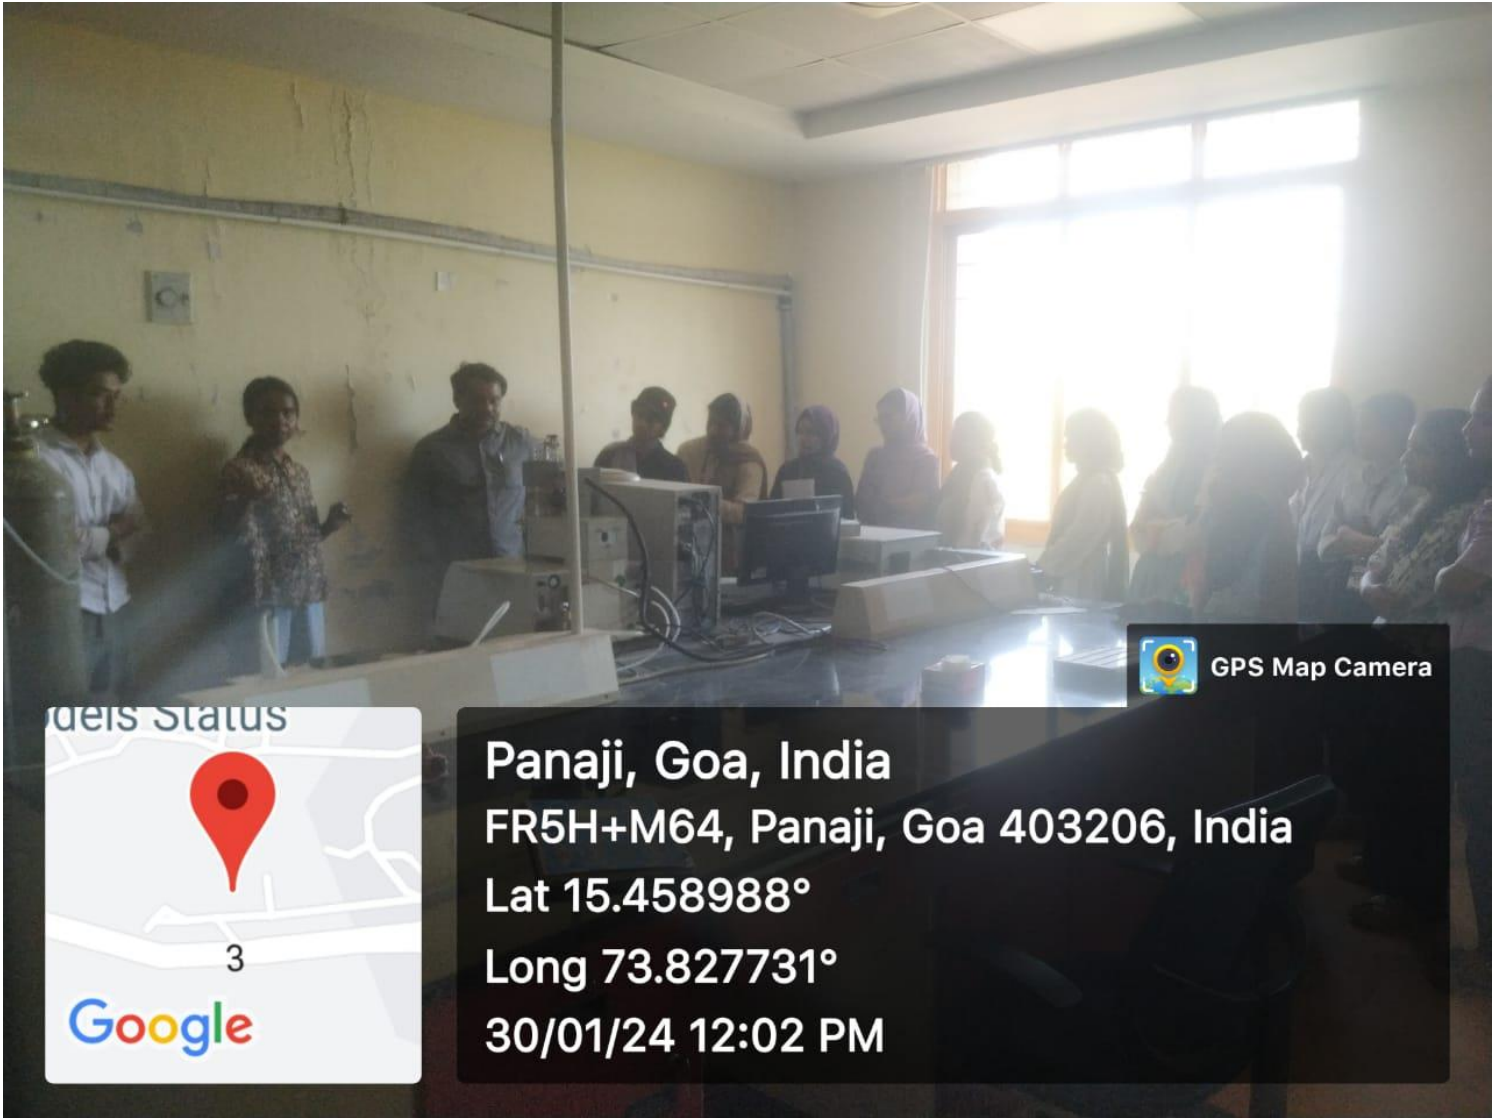

It was a helpful session which informed us about the various sophisticated instrumental facilities. The research scholars and faculty members were kind enough to explain about each instrument clearly. The session was very informative and hence we learned about the working principle about various instruments.
