Report on Industrial Tour to Mumbai

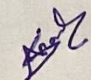

1. Title of the Event/Activity/program	Industrial Tour to Mumbai
2. Date and Time	23 rd January 2024 to 26 th January 2024
3. Location	Clearing Corporation of India Ltd. (CCIL), Mumbai Multi Commodity Exchange (MCX), Mumbai Bombay Stock Exchange (BSE), Mumbai
4. Number of total Participants	21
5. Number of Faculty attended	04
6. Number of Student attended	17
7. The objective and description of the activity	The objective of the Industrial Tour was to provide an opportunity to the students to experience the actual work environment and undertake an observational study of systems and processes in prominent clearing corporation and stock exchanges in India. The industrial tour was also envisaged to strengthen industry-academia linkages for the benefit of students from internships and placement perspective.
8. Description of the activity	The Financial Services discipline of Goa Business School organised an Industrial Tour to Mumbai from 23 rd January 2024 to 26 th January 2024. 17 students and 04 faculty members participated in the Industrial Tour.

	The companies visited include Clearing Corporation of India Ltd. (CCIL), Mumbai, Multi Commodity Exchange (MCX), Mumbai, and Bombay Stock Exchange (BSE), Mumbai.
9. Benefit/Key outcomes of the activity	The industrial tour was an excellent opportunity for students to interact with experts from the visited organizations i.e. Clearing Corporation of India Ltd. (CCIL), and Multi Commodity Exchange (MCX), and Bombay Stock Exchange (BSE) and supplement their classroom training on various financial services courses with learnings from the experiences of industry experts. At CCIL, the students had engaging session on fixed income market trading and settlements and developments delivered by MBA Financial Service alumnus, besides another resource person. At MCX, students had enriching session and demonstration of trading platforms for commodity markets. At BSE, students interacted with officials from BSE Brokers Forum and discussed on stock market fundamentals and technical analysis and currency market scenario.
