Feedback	
Benefit/Key outcome of the event in terms of learning/skills/knowledge	The lecture by Dr. Milind Naik on "Mushroom Cultivation: Scientific Techniques and Challenges" was beneficial to the attendees. Participants heard from SBSI champion of the mushroom cultivation program 2022 about her experience developing MCIC at GU. The participants received practical instruction in growing mushrooms. The participants were also

shown how to fill bags with substrate and spawns. The interns visited the incubation centre for mushroom cultivation. Students gained confidence from the workshop and were able to choose mushroom cultivation as their side work. SBSI interns signed up for Goa University's mushroom cultivation project (April – May 2023).

Glimpse of Workshop

GOA UNIVERSITY
EDUCATIONAL OUTREACH COMMITTEE (EOC)
 Social Entrepreneurship, Swachhata and Rural Engagement Cell (SES-REC)
 Organizes a Workshop on

"Mushroom Cultivation: Scientific techniques & challenges"
 Date and time: 1st April 2023 at 2.00 pm
 Venue: Lecture Hall 1, School of Chemical Sciences, Goa University

1. Dr. Milind Naik
 Assistant Professor, SBSB
 Goa University

2. SBSI Champions of Mushroom Cultivation Programme 2022

Highlights of the program

- Talk on Mushroom Science, Cultivation & Challenges
- Journey of Mushroom Cultivation program by SBSI Champion 2022
- Demonstration of Mushroom Cultivation techniques
- Demonstration of Substrate Design and sterilization techniques
- Visit to Mushroom cultivation and Incubation center (MCEC)

This program aims to create awareness and encourage the student community towards skill development and entrepreneurship opportunities in this sector.

Goa University SBSI Interns & Mentors will participate in this program and take-up mushroom cultivation project at Goa University (April – May 2023)

A small step towards Atmanirbhar Goa & Atmanirbhar Bharat!
