Benefit/Key outcome of the event in terms of learning/skills/knowledge	<p>The workshop began with welcome note from the college coordinator Dr. Bhanudas Naik. The workshop started with an informative talk on "Waste management" by Dr. Meghanath Prabhu followed by the lecture on "Mushroom Cultivation" by Dr. Milind Naik. He emphasised on spawn inoculation and substrate sterilisation process. Both lectures were beneficial to the attendees. The participants were shown how to fill bags with substrate and spawns. Dr. Diptesh Naik, demonstrated how to inoculate spawn with the help of 2 participants. Dr. Diptesh Naik emphasised on how to grow mushrooms and choice of substrates for mushroom cultivation. Students gained confidence from the workshop and were able to choose mushroom cultivation as their side gig. The participants received practical instruction in growing mushrooms.</p>
