Venez découvrir la contribution des auteures/écrivaines à la littérature francophone dans une perspective postcoloniale, en mettant l'accent sur la réinvention du genre autobiographique. Étudions comment ces auteures innove dans le langage et l'expression du soi pour redéfinir le concept du moi. Contrairement à la biographie, qui couvre toute la vie d'une personne, le récit de vie se concentre sur un événement ou une période spécifique.
