Feedback/Remark:

Very informative visit, our students got a good experience & knowledge after with this visit.

Prof. Dr. Shirsath Sir has given a lecture on physical chemistry sub. It was very interaction & inspiration session for students and teachers also.

Also visited different labs & some research scholar also cooperated to give demo on different instruments like UV, cyclic voltammetry. We will be happy if our students will get benefit of this university in terms of instrumental analysis of our students samples
