E-Waste Drive (12th and 13th February 2024): Provided students with hands-on experience in organizing and executing community initiatives, enhancing their vocational skills and civic engagement. 2. Guest Lecture on Waste Management (14th February 2024): Educated students and faculty members about sustainable practices, contributing to their vocational education and professional development. <p>DCT’s Dhempe College of Arts and Science Miramar, Panaji-Goa</p> <ol style="list-style-type: none"> 1. Ms. Siddhi Parsekar was the organizing member of a workshop on “Entrepreneurship Skill, Attitude, and Behavior Development” organized by the Institution’s Innovation Council of the college on 27th February 2024. Mr. Pravin Sabnis, Head Coach, Unlearning Unlimited was the resource person. 2. Department of Zoology under DBT Star College Scheme Organized a hands-on training workshop on “Fabrication and Setting up of an Aquarium” on 6th January 2024. Shri. Abhishek Tari, Prop. Aquasonics, Marcel- Goa was the resource person for the workshop. A total of 28 students attended the training. 3. Department of Chemistry, Under the DBT-Star College Scheme, in Association with Goa University, Educational Outreach Committee (EOC), Social Entrepreneurship, 27 Swachhata and Rural Engagement Cell (SES-REC) organised a workshop and training program on the topic “Mushroom Cultivation & Waste Management Techniques”, on 23rd February 2024. 4. Department of Botany in association with Mycoasia - journal of modern mycology organized a national seminar and hands-on training titled |

“Fascinating world of fungi” under DBT star college scheme on 19th and 20th January 2024. Seminar was organized in a hybrid mode and was attended by 226 participants.

5. A seminar was organized by Dr. Preethi Pandit and Mr. Edwin Cortez faculty members- of Team IIC, entitled „My Story Innovators on 15th February 2024 in Classroom 223, from 10:30 am to 11:30 am.
6. Philosophy department coordinated a ‘Session on Problem Solution fit and product Market Fit’ On February 29, 2024, the Institution Innovation Council orchestrated an enlightening session on 'Problem Solution Fit and Product Market Fit' from 1pm to 2pm For SYBA and TYBA Philosophy Students.
7. Session for Institution Innovation Council Dr. Shilpa Samant conducted a session on “Problem Solution Fit and Product Market Fit” on 29th February, 2024 for the students of SYBA as a resource person under IIC of the college.
8. The Department of English in collaboration with the Digital Language Laboratory and Skill Development Center offered a 30-hour Skill Development Course in Introduction to Translation for the academic year 2023-2024. The course commenced on August 28, 2023 with 20 students, both from the college and general public. The course is being coordinated by Dr. Palia Pandit.
9. The Department of Zoology, under the DBT Star College Scheme, organised an Inter-
10. Collegiate Event, “Zoo- Odyssey: Where Zoology Comes Alive” on 27th February 2024. The event celebrated the wonders of the animal kingdom and promoted academic engagement. 4 colleges participated in the event. In total 36 participants showcased their talent in 8 different competitions.
11. Dr. Bhanudas Naik, along with nine students attended the Sakura Science Exchange Program and short-term joint research program arranged by Meijo University, Nagoya, Japan, as a host organization in Japan from 5th January to 21st January 2024. The Sakura science exchange program is fully funded by JST.
12. Dr. Pratibha Prabhugaonkar conducted a skill development course entitled “Fungi as food, bio-fertilizers and Bio-control agents” from 3rd to 16th January 2024. Thirteen students from the college participated in the programme. Dr. Purnima Ghadi and Dr. Ashish Prabhugaonkar were resource persons for one of the sessions.
13. Dr. Purnima Ghadi was organizing member of symposium titled' Exploring Frontiers: Students Research Symposium organized by IQAC in association with Research and Development Cell of the institute on 16th March 2024.
14. The Department of Computer Science organised an Industrial visit to HDSoftech,Mayem, Goa on 15th March 2024. A total of 26 students of TYBSc and SYBSc Computer Science visited HDSoftechaccompanied by three teachers.
15. The Department of Mathematics conducted a Skill Development Course titled “Latex – Mathematical Typesetting” from 5/12/2023 to 15/3/2024 for the T.Y.B.Sc Maths students of the college. The resource person and the coordinator for the course is Mr. Vitendra Mhatonkar. The course was of 30 hrs duration. The students successful typed their TYBSc projects using the Latex software. 13 students were benefitted from this course.

16. The institution organized in beyond-curriculum skill development viz. Biospectrum series. Under the aegis of the DBT Star College scheme, the Department of Biotechnology organized the “Biospectrum Lecture series” for students of DCT’s Dhempe College of Arts and Science at S.V. Hall held on 13th-15th February 2024.
17. Goa University Policy Hackathon (January 12th 2024): Zanaida Braganza (SYBA) and Torshan Bhattacharya (SYBA) participated and won the 2nd place at the National Level- Policy Hackathon competition organized by the Manohar Parrikar School of Law, Governance, and Public Policy at Goa University.
18. The Department of Political Science also organised a National Conference on Micro-Financing on February 19th, 2024.
19. Students’ Parliament (February 13th, 2024): 30 students from the college participated in a student’s parliament competition organised by the Goa Legislative Assembly. The team got a participation trophy and certificates for their performance. The students were mentored by Mr. Siddhesh Kalekar.
20. FY.BSc SEC (17 students – 15 female, 2 male), SY.BSc SEC (14 students – 5 female, 9 male) and TY.BSc Project students (6 students – 3 female, 3 male) have carried out Water Quality Assessment of Panjim City where physical, chemical and biological parameters were tested. Students worked in Geology, Chemistry and Biotechnology laboratories to do the testing.
21. The F.Y. B.Sc., S. Y. B. Sc and T.Y. B.Sc. students of the Department of Zoology visited the Cotigao Wildlife Sanctuary, Marine turtle nesting site at Galgibag, Cancona as a part of syllabus and extension of the Project work. Total 56 students and 04 faculty members visited the sites on 04/02/2024.
22. Geology Department organized Science Exhibition “Prithvi 1.0” which was held on 31st January 2024 from 10 am to 4pm. Various models, minerals, rocks and instruments were displayed in the departmental laboratory. A documentary was screened on “Introduction to Geology”. Total 222 visitors witnessed the science exhibition.
23. The annual Science Exhibition on the theme “Fun with Matter” was organised on 30th January 2024 as an Outreach program under DBT Star College Scheme to make concepts in Optics, Mechanics, and Electronics simpler. Students from FYBSc, SYBSc, and TYBSc put together the exhibits on the theme “Fun with Matter.”
24. Department of Zoology under DBT Star College Scheme Organized a Talk and Workshop on “Vector Borne Diseases and its Control” on 8th January 2024. Dr. Ajeet Kumar Mohanty, Scientist & Officer in Charge, ICMR- National Institute of Malaria Research, Campal, Panaji, Goa, was the resource person for the session. A total of 73 students attended and benefited from the session.
25. The Department of Zoology organized science exhibition with the theme Fauna Fiesta: “Exploring Zoological Discoveries” on 29th January, 2024. The exhibits for the exhibitions were prepared by F.Y. BA. (Multidisciplinary Course), S.Y. B.Sc. and T.Y. B.Sc. Zoology students. Total 10 exhibits were presented. A total of 158 visitors visited the exhibition in the zoology laboratory.
26. Department of Chemistry organised an exhibition „Rasayan.... connecting bonds inspiring minds“ as a part of the annual Science exhibition under the

DBT Star College scheme on 30th January 2024. Dr. Durga Timble was the coordinator for the exhibition.

27. The Annual Science Exhibition was organised by Dhempe College of Arts and Science on 30th January 2024. The theme of Department of Computer Science was “Gamification” (Integration of game elements in non-game contexts). A total of 107 students and faculty visited the exhibition.
28. The Department of Mathematics organized a workshop on “Computational Thinking” for the school students on 23/2/2024 under Star DBT College Scheme. The objective of the workshop was to sow the seeds of the aspects of Computational Thinking in the young minds of the students. Two schools, Musti fund High School, Cujira and Dr. K. B. Hedgewar High School, Cujira participated in the workshop. 53 students were benefitted from the workshop.
29. Chiasma 9.0 - 2024 is an annual departmental Exhibition and Event organized by the Operon Club of Dept. of Biotechnology, DCT’s Dhempe College of Arts and Science Panaji Goa for Students of High School and Higher secondary schools on 29th and 30th January 2024.
30. Five students of department of Biotechnology were taken to IIT Delhi to participate National Championship, which was a scientific event by Mrs. Mrunal R. Phadke on 16th and 17th March, 2024.
31. A TYBSc student of Biotechnology, Mr. Ganatej Kolamkar, under the guidance of Mrs. Mrunal R. Phadke presented a poster of hisTYBSc research work on “Development of Bio packaging material for waste cooking oil using Bacillus subtilis” at International Conference on Trends in Chemical, Energy and Environmental Engineering (ChemEEE-2024) organized at Indian Institute of Petroleum and Energy, Vishakhapatnam on 19th, 20th and 21st February 2024.
32. Dr. Miskil Naik organised a Bootcamp on Entrepreneurship in association with the Department of Biotechnology and the Department of Economics for students of Dhempe College on 26th February 2024.
33. Department of Chemistry, Under the DBT-Star College Scheme, in Association with
34. Goa University, Educational Outreach Committee (EOC), Social Entrepreneurship, Swachhata and Rural Engagement Cell (SES-REC) organised a workshop and training program on the topic “Mushroom Cultivation & Waste Management Techniques”, on 23rd February 2024.
35. Under the aegis of the DBT Star College scheme, the Department of Biotechnology organized a one-day seminar on “Meet the Bioentrepreneurs “on 17th February 2024, in the auditorium of the Science Centre, Panaji Goa.
36. Ms. Sendra Pereira organized an insightful workshop and hands-on training session for students pursuing FYBA Major Philosophy on February 24, 2024, at 12pm, outside the Anx building, the workshop delved into various aspects of the “Art of Communication and Awareness through the Ancient Medium of Street Play”.

Shree Malikarjun & Shri. Chetan Manju Desai College

1. Cinematography Workshop (organized by Dept. of Konkani)
2. Compeering Skills Training (organized by Dept. of Konkani)

3. Public Speaking Workshop (organized by Dept. of English)
4. DIGITAL STORY CREATION WORKSHOP (organized by Dept. of English)
5. PRACTICAL ASPECTS OF MUTUAL FUNDS & SHARES by CA Srinivas Prabhu (organized by Dept. of Economics)
6. "Insights into Running Commentary" by Dr Savio Leitaó (organized by Dept. of Konkani)
7. EMPLOYMENT OPPORTUNITIES IN THE FIELD OF HINDI SEMINAR in association with Konkan Railway Corporation (organized by Department of Hindi)
8. "KATHA NIRMITI PRAKRIYA" with Dnyan Pith Awardee Shri. Damodar Mauzo for insights into the profession of Literature Creators.
9. COSMETIC CHEMISTRY WORKSHOP (organized by Department of Chemistry) to develop entrepreneurial spirit by learning to prepare Soaps, Handwash and Mouthwash, Organic Rangoli.
10. INCOME TAX RETURNS FILING 30-Hours Certificate Course (organized by Department of Commerce)
11. COLLEGE BAZAAR (ENTREPRENEURSHIP IN ACTION).

School of Chemical Sciences, Goa University

1. Placement Committee of School of Chemical Sciences along with School of Physical and Applied Sciences (SPAS) in collaboration with Directorate of Student Placement and Alumni Relations, Goa University, organized a talk on Career opportunities at Bhabha Atomic Research Centre on 24th January 2024. Dr. Veerendra K. Sharma, Scientist, Solid State Physics, Division Bhabha Atomic Research Centre, Mumbai and Shri J. S. Dubey Scientific Officer (H), Post Irradiation Examination Division, Bhabha Atomic Research Centre, Mumbai were invited as resource persons. A total of 81 students and 3 teachers attended the talk. The objective of this talk was to explore the promising opportunities for professional growth available to M.Sc. graduates in the field of chemical and physical sciences. Dr. Rupesh Kunkalkar welcomed attendees and introduced speakers, who were greeted with flowers. Prof. Verenkar Dean, SCS delivered opening remarks, followed by Shree J S Dubey discussing the significance of jobs in DAE for students. Later, Dr. Veerendra K. Sharma highlighted DAE's role in India's defense and growing energy needs in India. He elaborated on career opportunities, detailing job vacancies in different sectors and required qualifications for those jobs. The seminar concluded with Q&A session where students clarified their doubts and with a vote of thanks from Dr. Marlon Sequeira.
2. The School of Chemical Sciences in association with the Goa State Higher Education Council and Directorate of Higher Education, Goa organised a talk as a part of the Vidnyan Dhara 2024 lecture series on 13th February 2024. Dr. Prachi Torney was the SCS coordinator for this event. A total of 134 MSc students and 12 faculty members of SCS attended the talk. Prof. Tilvi explained to the students the process of origin and evolution of the universe which began 13.8 billion years ago from the big bang process and

elaborated on the process of how stars are born, the production of various elements like H₂, He, O₂, C and Si and the time taken for their formation. He also presented his discoveries of some of the farthest galaxies and demonstrated the working of his portable telescope. The talk was followed by interactive session with active participation from students and faculty members.

3. The School of Chemical Sciences, Goa University organised a talk on 14th February 2024 at 3.30 pm in Lecture Hall to introduce the CTR-Series IndiRAM Raman Spectrometer to the MSc and research students, and faculty members of SCS. The CTR-series IndiRAM is an indigenous “Make in India”, research-grade, high-resolution Raman Spectrometer, developed by TechnoS Instruments (a Jaipur based company founded by IITians) in collaboration with CSIR-AMPRI, under the GoI’s NIMITLI initiative. The talk was coordinated by Dr. Digamber Porob.
4. Placement Committee of School of Chemical Sciences in collaboration with Directorate of Student Placement and Alumni Relations, Goa University organized a campus placement drive conducted by Deccan Fine Chemicals at SCS, Goa University on 1st March 2024. A total of 37 students participated in the placement drive. The objective of the placement program was to facilitate the successful transition of students into the workforce by providing them with practical experience and employment opportunities. The placement activity started in the morning at 9:15 am with Deccan Fine Chemicals' Senior Vice President and Site Manager, Mr. Kiran Desai, introducing the company's operations, financials, and key aspects. This was followed by a Q & A session. Later, a screening exam was conducted, and selected students proceeded to two-part interviews: an HR round and a technical interview, with separate sessions for Analytical and Organic students. The day concluded at 5:30 pm with the HR department presenting offer letters to successful candidates and with a group photo session.
5. The School of Chemical Sciences, Goa University, organized a lecture on the topic, ‘Applications of Cyclic Voltammetry in Research’, delivered by Dr. B. E. Kumara Swamy on 15th March 2024. Dr. B. E. Kumara Swamy is a Professor at Department of Industrial Chemistry, Kuvempu University. Dr. Diptesh Naik of SCS coordinated the talk. A total of 15 faculties and 83 students (Masters and Research Scholars) attended the talk. Students and faculty members gained a deeper understanding of the principles and applications of cyclic voltammetry in scientific research. Attendees became familiar with the wide-ranging applications of cyclic voltammetry, including its role in studying electrode kinetics, characterizing materials, and analyzing biological molecules. The event facilitated knowledge exchange and discussion among attendees, providing a platform for sharing insights, experiences, and perspectives related to cyclic voltammetry. Attendees had the opportunity to connect with peers and faculty members, fostering collaborations and networking within the academic community.
6. The School of Chemical Sciences, Goa University, organized a lecture on the topic, ‘Organic and Hybrid Ferroelectrics for Piezoelectric Energy Harvesting Applications’ on 21st March 2024. An interesting and

informative talk was delivered by Prof. R. Boomi Shankar, IISER, Pune. Dr. Kanchanmala Deshpande coordinated the talk. The faculties of SCS, research scholars and MSc students attended the talk. Prof. Bhoomi Shankar apprised the audience on current research work in the field of Hybrid Ferroelectrics and its applications in energy harvesting. Prof. BhoomiShankar discussed about his research area which is a broad interface of structural inorganic and materials chemistry with emphasis on synthesis, physical properties. The brainstorming interactive session after the talk was helpful to students. The event successfully enlightened the Ph.D students towards various research ideas and inspired them to understand the insight of the research. Discussion on various gadgets developed by invited speaker illuminated the students on how research work could be extended as a new start-up idea.

DCT's Srinivassa Sinai Dempo College of Commerce and Economics Cujira

1. NSS volunteers and Students of Event management subject volunteered for Purple Fest Event which was held from 8th January 2023 to 13th January 2023. Total 79 volunteers were part of the event.
2. The Training, Internship, Placement Career Guidance Cell (TIPC) of the college organised an orientation session for students with Ingenious faces on 15th January 2024 in the college AV Room at 10.45 a.m. The session was delivered by Mr. Apoorv Bamba and Ms. Sapna Shahani. Ingenious Faces has a clear and ambitious objective to introduce an outcome-based learning approach to Goan institutions and youth. The focus is on nurturing essential soft skills in entrepreneurship and future-oriented skills, Sales and Marketing including full-stack development, artificial intelligence/machine learning and data science. The pedagogy will be entirely project-based, with a strong emphasis on creating a robust internship and employability ecosystem within the state. The session had an attendance of 39 students from the T.Y.B. Com and B.B.A departments.
3. 16th January 2024- Government of Goa, Directorate of Higher Education and Directorate of Sports and Youth Affairs in collaboration with Srinivassa Sinai Dempo College of Commerce and Economics is organising a Programme as a part of National Youth Week Celebration, on the theme 'It's all in the mind'. Training sessions were conducted on Financial Management, Mental Health, Opportunities with and for Government. A total of 113 NSS volunteers participated in the event that was held in the college auditorium.
4. The Training, Internship, Placement & Career Guidance Cell (TIPCC) of the college in collaboration with Decathlon Sports India organised a Campus Presentation- Pre-Placement Talk on 13th February 2024 at 9.15 am in the college auditorium. The resource person for the session were Ms. Alisia Fernandes and Mr. Nitesh Negi recruiters at Decathlon. The session was informative and engaging and covered the culture and career opportunities at Decathlon Sports India. Students were apprised of the opportunities to be employed at Decathlon, Goa branch at full time, part time and internship positions the program was coordinated by the Training, Internship, Placement & Career Guidance Cell (TIPC) of the college. A total of 74 B. Com and B.B.A. students attended the talk.
