

M.Sc. Marine Biotechnology Programme Admission Portal

(ONLY for GAT-B 2024 qualified students)

(Application and admission procedures are solely through online mode)

Procedure for M.Sc. Marine Biotechnology admissions (2024) for GAT-B 2024 qualified candidates:

Step 1:

- For program information, please visit the Marine Biotechnology section
 - ✓ <https://www.unigoa.ac.in/dept/school-of-biological-sciences-and-biotechnology.html>.
 - ✓ Marine Biotechnology Instagram page
- **Please make sure that you have a valid Gmail ID.**
- Candidates with valid GAT-B (2024) scores (please check cut-off score category-wise for determining your eligibility) seeking admission at Goa University may fill in and SUBMIT the Google application form; [click here](#) or paste the following link on your browser page: <https://forms.gle/Nq3VATXQo6m8GoKe8>.
- Kindly make sure that you are using an updated browser.

Step 2:

- Upon receipt of the above Google form on Goa University portal and as per ranking in various categories, the candidates will be sent an email containing the link to complete the admission process by uploading the necessary documents and payment of fees as per Goa University procedures (dates of opening and closure of the link will be informed through the same email).
- The GAT-B 2024 waitlist will also be displayed on the GU website.
- The GAT-B cutoff marks and the list of qualified students are mentioned at the RCB site (<https://rcb.res.in/upload/GAT-B-2024-Result.pdf>), and the admission schedule will be completed as per information received on the RCB GAT-B admission site.

General information:

- There will be separate merit lists of qualified candidates for the various categories of students as per Government of India norms,
- Total fee payable for the 1st year M.Sc. Marine Biotechnology program (2024) would be approximately Rs. 18,285 + 2480 (Caution deposit refundable at the end of the course)
- Students who have received the final year results and are selected for admission at Goa University will first apply for an eligibility certificate by paying Rs. 695/.
- All students admitted through this selection process will be eligible to receive a stipend of Rs. 5,000/- per month from the DBT (Govt. of India) during the program tenure.
- Students will be contacted on their mobile numbers registered on the Google form and by email. In case the student fails to take admission by the last date stipulated in the email, the vacant seat will be allocated to the next candidate on the wait list
- All students admitted to this program at Goa University will be provided with a hostel room facility on a twin-sharing basis. For further details, visit:
