Department/School/Directorate	Management Studies, Goa Business School
Participants	37
No. Of Faculty attended	02
No. Of Students attended	35
Objective and Description of the Activity	The objective of Industrial visit was to bring out the student from classroom learning imagination and provide a platform to create thinking about actual operations and functioning of the businesses. The whole purpose of industrial visit for students are moulded them to have a learning experience in the manufacturing and service firm. It has also provided them with a benefit of enhancing their inter-personal skills and employability opportunity. Placing them in an industrial environment, interacting and learning from industry experts opened up their mind on critical thinking about new venues and new insights to step into the corporate world.
