Report on a conversation workshop **"Parlons Féminisme : Histoire, Luites et Symboles"**

The discipline of French and Francophone Studies conducted a conversation workshop in French to celebrate the International Women's Day and the Francophonie Festival. The workshop was held over three Fridays – 7th March, 21st March and 4th April 2025 from 2 pm to 4 pm for the students of BA and MA French. The objective of the workshop was to give the students an opportunity to improve their speaking skills in French.

The sessions conducted by the French Language Assistant Ms Charline Leuck aimed at sensitizing the students with the key figures all over the world and with a special focus on the francophone countries who have raised voice against various social evils that limit women and to empower women. The students were also familiarised with various social issues that limit women. An active participation from the students was ensured through various conversational activities like debates, 20 questions, Pictionary and discussions. The activities and discussions conducted not only sensitised the students with the various social issues and key figures but also equipped the students with the vocabulary and expressions in French to lead a discussion on the subject.
