

## MoU between Goa University and Goa State Biodiversity Board

The Memorandum of Understanding (MoU) between Goa University and Goa State Biodiversity Board has been signed on 8th May 2025 in the presence of Prof. S. N. Dhuri, Registrar, Goa University; Dr. Pradip Sarmokadam, Member Secretary, Goa State Biodiversity Board; Prof. Pranab Mukhopadhyay, Vice Dean, Goa Business School and Shashikant Morajkar, Assistant Registrar, Public Relations, Goa University.

Under these MoU, the Goa University (GU) will assist the Goa State Biodiversity Board (GSBB) in conducting various training programmes, seminars, awareness drives, rallies, street plays and other activities through its Biodiversity Cell. "GU" will also provide advisory support in the valuation of ecosystem services and biodiversity to "GSSB."

Goa State Biodiversity Board, on the other hand, will provide all types of support to the programmes organized by "GU" as well as share the knowledge and expertise and also assist the teachers and students of "GU" in conducting empirical research in the field of biodiversity.
