Talk on “The Power and Dangers of Artificial Intelligence”

by Prof Rajeev Sangal IIT Hyderabad

June 23, 2025
3.00 pm to 5.00 pm

Venue: FF-8 Classroom,
Goa Business School

- ⊕ How do we deal with the problems that might be caused by AI due to machine learning based on data?
- ⊕ For researchers including PhD, PG students, and teaching fraternity.

AI or Artificial Intelligence is much talked about these days. There are fears that AI technology, like any other technology, would get leveraged by the powerful and the privileged first. Would it lead to greater, even unprecedented, centralization of power? The talk will explore the above questions in an interactive mode.
