

Talk on “Mastering Your Dissertation: Strategies for Success”

The School of Chemical Sciences (SCS), in collaboration with the Goa State Research Foundation, organized a guest talk on “Mastering Your Dissertation: Strategies for Success” by Prof. Malapati K. Janarthanam, Chairperson, Goa State Research Foundation, on 24th June 2025 at the SCS Auditorium, Goa University.

The session was attended by MSc Part II students from the School of Chemical Sciences and the School of Physics and Applied Sciences. Prof. Janarthanam offered valuable insights into effective research practices and strategies for approaching MSc dissertations. The talk was engaging, informative, and motivating, leaving students and faculty members highly inspired and appreciative of the session.
