## Detailed Study Tour Report (28th November to 5th December 2024)

## Introduction

The study tour to Pune was organized to provide participants with exposure to professional work environments, explore company operations, understand industry trends, and secure internship and placement opportunities. Pune, renowned as a hub of education, technology, and manufacturing, offered an ideal platform for participants to gain valuable insights into real-world organizational dynamics and emerging technologies.

## Friday, 29 November 2024

The educational tour commenced with a visit to **Zimetrics**, Pune, where students gained insights into software testing and automation technologies.

### Key Highlights:

- Introduction and Welcome:
  - Shweta Ma'am and Amar Sir emphasized professionalism, punctuality, and adaptability in corporate culture.

#### • Insights from Khalid Sir:

• With 25+ years of experience, he stressed acquiring multi-domain knowledge, avoiding assumptions, and fostering a continuous learning mindset.

#### • Technological Advancements:

- Evolution of testing with OCR (Optical Character Recognition) and ICR (Intelligent Character Recognition).
- Demonstration of tools like *Panacea Test* for automation and *8nap Al Accelerators* for data processing.
- Al and Data Engineering:
  - Role of cloud computing and SQL in modern testing practices.
  - Zimetrics' expertise in data engineering, IoT, cloud computing, and AI applications.
- Innovative Use Cases:
  - 3D jaw modeling and automated WhatsApp FAQ bots by Generative AI experts Sam Sir and Abhishek Sir.
  - Patient data visualization for healthcare by Mr. Saurabh.
- CEO Address:
  - Vikas Sir, CEO of Zimetrics, encouraged embracing technology fearlessly. He also extended an invitation for Zimetrics to participate in InfoFest, a tech event hosted by DCST at Goa Business School.

#### Internship and Placement Opportunities:

• Zimetrics offered participants opportunities for internships and placements.

## Saturday, 30 November 2024

The second day included visits to **Graas.ai**, **Pentathlon Ventures**, and **Slumberjet**, enriching participants with discussions on startups, investments, and digital business platforms.

#### Key Highlights:

- Graas.ai:
  - CEO Mangesh Panditrao discussed bootstrap companies and drag-along clauses.
  - Product Manager Ajinkya elaborated on LLM predictions, data collection, and career paths.
  - Technical Head Hemanshu explained the cosmos model, OLTP/OLAP concepts, and his professional journey.
- Pentathlon Ventures:
  - Managing Director Madhukar Bhatia spoke about B2B-focused seed-stage investments and the importance of a strong management team.
- Schlumberger (SLB):
  - Amit introduced ERP systems, digital business platforms, and career progression models.
  - Abhijit Bhide shared valuable corporate skills.

The day concluded with an **Alumni Meet** at Dinosaur Park, where alumni shared insights on automation, AI, and skill development.

#### Alumni Meet Highlights:

- **Subash:** Opportunities in AI, the importance of staying updated, and readiness to learn.
- Ravi Kumar: Automation's scope and tools like Cypress and Playwright.
- **Ritesh Sinha:** Emphasized the need for skilled professionals and learning essential skills like C++.

#### Internship and Placement Opportunities:

• Graas.ai offered internship and placement opportunities to participants.
