<b>The objective/description of the activity</b>	<p>Objective:</p> <p>The objective of the talk was to equip postgraduate students with essential tools, techniques, and strategies required for planning, writing, and successfully completing their dissertation. It aimed to enhance their academic writing skills, promote critical thinking, and guide them through the entire research process from topic selection to final submission.</p> <p>An email informing all the students and teaching staff about the talk at the Auditorium of SCS building of Goa University was sent.</p> <p>A talk on “Mastering Your Dissertation: Strategies for Success” was successfully conducted for the postgraduate students of the School of Chemical Sciences and the School of Physical and Applied Sciences. The session was held to provide students with a structured approach and effective strategies for dissertation. The program commenced with a warm welcome address by Dr. Prachi Torney, followed by an introduction of the esteemed guest speaker by Dr. Bidhan Shinkre, Vice Dean Academics. The talk was delivered by Prof. Janarthanam, Chairperson of the Goa State Research Foundation, who engaged the audience for a detailed 3-hour session. He shared valuable insights into the process of selecting a research topic, conducting literature reviews, structuring the dissertation, and managing timelines efficiently. Emphasis was also placed on research ethics and academic writing standards.</p> <p>The informative and interactive session was appreciated by the students and faculty alike. The event concluded with a vote of thanks and the presentation of a memento to the speaker by Prof.</p>

	Nadkarni, Senior Professor, followed by a group photograph to mark the occasion.
<b>Benefit/Key outcome of the event</b>	The talk provided students with a clear understanding of the dissertation process, enhanced their confidence in academic writing, and equipped them with practical strategies for effective research planning and execution. It also encouraged students to approach their dissertations with greater clarity, discipline, and academic integrity.
