

Goa University
School of Biological Sciences and Biotechnology
Report on “Invited Lecture in Immunology”

1. Title of the Event/Activity/program	Meet your immune system- a choreography of organs, tissues and cells
2. Date and Time	18th August, 2025 2:30 – 3:30 p.m.
3. Mode of conduct (Physical/Online)	Physical
4. School/ Directorate/ Section	School of Biological Sciences and Biotechnology
5. Collaborating Agency/School/Directorate	Nil
6. Detail of the Resource Person (Brief biodata)	Dr. Anna George, Adjunct Professor, Christian Medical College, Vellore and Retired Staff Scientist, National Institute of Immunology, New Delhi
7. Number of Faculty attended/participated	04
8. Number of Student attended / participated	84
9. No. of external students/faculty/other participants	Nil
10. The objectives of the Program/activity/event	To provide postgraduate students with expert insights into immunology, enhance conceptual understanding of immune cells, tissues, and organs, and connect theoretical knowledge with real-world applications through engaging discussions.
11. Description of the Program/activity/event	Dr. Anna George, a distinguished immunologist, delivered an interactive lecture on “Cells, Organs, and Tissues of the Immune

	System,” integrating fundamental concepts with real-life examples, analogies, and collaborative research perspectives.
12. Benefit/Key outcomes of the Program/activity/event	Students gained a holistic understanding of immune system organization, improved ability to relate theoretical concepts to practical contexts, and were inspired to pursue research and collaborations in immunology.
13. Enclosures with report	<ol style="list-style-type: none"> 1. Brochure 2. Geo-tagged photos 3. Attendance of students/faculty participants 4. Letter of invitation to resource person 5. Biodata of resource person

GOA UNIVERSITY
School of Biological Sciences & Biotechnology
Organizes an Invited Lecture in Immunology

International Year
of Cooperatives

Title: Meet your Immune System – A Choreography of Organs, Tissues and Cells

Resource person: Dr. Anna George
Adjunct Professor, Christian Medical College, Vellore and
Retired Staff Scientist, National Institute of Immunology, New Delhi

Date: Monday, 18th August, 2025
Time: 2:30 – 3:30 p.m.
Venue: Biotechnology Seminar Hall, Faculty Block E, Goa University

Organizing Committee Members:
Dr. Judith Noronha & Dr. Samantha Fernandes D'Mello (Faculty Coordinators);
Dr. Lakshangy Charya, Dr. Meghanath Prabhu & Dr. Sanika Samant (Programme Directors)
Prof. Sanjeev Ghadi & Prof. Sandeep Garg (Vice-Deans, SBSB); Prof. S. Krishnan (Dean, SBSB)

2. Geo-tagged photos

i) Resource person for the event, Dr Anna George, delivering the lecture

ii) Resource person delivering the lecture and interacting with the audience

iii) Introduction to the speaker

iv) Token of appreciation and vote of thanks to the speaker

v) Members of the audience

vi) Members of the audience

LETTER OF INVITATION

Dear Dr. Anna George,

On behalf of the faculty members of the School of Biological Sciences and Biotechnology, Goa University, I invite you to deliver the following guest lectures for the M.Sc. students of our school.

S.no.	Title	Date	Time
1.	Meet your immune system - a choreography of organs, tissues and cells	18 th August 2025	2:30 - 3:30 p.m
2.	Intestinal immune responses: the balance between physiological and pathological inflammation	21 st August 2025	10:30 - 11:30 a.m.

The students will greatly benefit from your knowledge and expertise in the field. We would be privileged if you accept the invitation.

Yours sincerely,

Dr. Lakshangy S. Charya
Assistant Professor and
Programme Director,
Microbiology, SBSB
Dr. Lakshangy S. Charya

LETTER OF APPRECIATION

Dear Dr. Anna George,

On behalf of the faculty members of the School of Biological Sciences and Biotechnology, Goa University, I extend my sincere gratitude to you, for accepting our invitation and delivering a lecture on the topic "Meet your immune system- a choreography of organs, tissues and cells", for the M.Sc. students of our school, on Monday, 18th August 2025, between 2:30 - 3:30 p.m.

The students and faculty members have surely benefitted from your perspective, and the interaction they had with you. We look forward to more such lectures in the future.

Yours sincerely,

Dr. Lakshangy S. Charya

Biotechnology

5. Biodata of resource person

Dr Anna George is an Adjunct Professor, Christian Medical College, Vellore and Retired Staff Scientist, National Institute of Immunology, New Delhi. She is a senior immunologist with more than 40 years of experience in research and teaching. She completed her Ph.D. in Microbiology and Immunology from the University of Bombay, and went on to work in leading labs in the U.S. and U.K. before returning to India.

Dr. George spent over two decades at the National Institute of Immunology in New Delhi, where her research focused on how B and T cells respond to vaccines and infections, with a special emphasis on mucosal immunity. She has guided many Ph.D. students, and taught advanced immunology courses at premier institutes across India.

Her research career has also been marked by strong collaborations with institutes such as ICGB, NCBS, AIIMS, and CCMB and she has published over eighty research papers in peer-reviewed journals.

Most recently, Dr George has been closely involved in COVID-19 vaccine research and mentoring at THSTI, Faridabad and at CMC Vellore
