No. 3-53-2023/S&T&WM/PART/651

Dated: 20/08/2025

To All Concerned,

Subject: Manohar Parrikar Yuva Scientist Award, 2025 – Request for Publicity

Respected Sir/Madam,

The Government of Goa, through the Department of Science & Technology and Waste Management, organizes the annual science event “Manohar Parrikar Vidnyan Mahotsav” on 13th December to commemorate the birth anniversary of Late Shri Manohar Parrikar, Former Chief Minister of Goa and Former Defence Minister of India. This initiative has been ongoing since 2019.

As part of this celebration, the Hon’ble Chief Minister of Goa, Dr. Pramod Sawant, announced the institution of the “Manohar Parrikar Yuva Scientist Award” aimed at recognizing outstanding contributions by young scientists below the age of 35 years. The applicant must be a working scientist and should have made significant contributions in the fields of Science, Technology and Innovation.

The advertisement seeking applications for the award is enclosed herewith for your kind reference. You are requested to circulate the same among all concerned Departments, Autonomous Bodies, Universities and Research Institutions under your jurisdiction, so that deserving and eligible candidates may be informed and encouraged to apply.

We look forward to your support in helping promote this prestigious award.

Yours faithfully,

(Dr. Sneha Gitte, IAS)
Director (S&T&WM) & Ex-officio
Jt. Secretary to Government

End: As above

Department of Science, Technology & Waste Management
Government of Goa

Manohar Parrikar Yuva Scientist Award 2025

Late Shri Manohar Parrikar, who served as Chief Minister of Goa and Defence Minister of India, believed that the country, particularly its youth, should pursue excellence in Science and Technology. As a reminder of this ideal, the State of Goa celebrates his birth anniversary (13th December) as “Manohar Parrikar Vidnyan Mahotsav,” featuring lectures and exhibits by eminent scientists and technologists. During the Mahotsav in 2022, Dr. Pramod Sawant, Hon’ble Chief Minister of Goa, announced the institution of an annual award — the “Manohar Parrikar Yuva Scientist Award” — to recognize a young scientist with proven excellence and the promise of future contributions. The award carries a cash prize of ₹5,00,000/- and a citation. Now in its third year, the award will be presented on 13th December 2025 during the Mahotsav.

The Department of Science, Technology and Waste Management, State of Goa, invites applications for this year’s award from Indian scientists/ technologist below the age of 35 (as on 31 December 2024). The applications will be evaluated by an Expert Committee headed by Dr. Anil Kakodkar, Former Chairman, Atomic Energy Commission. The shortlisted candidates will be invited for a presentation before the committee. The candidates shall be judged on: (1) Impact of work done so far, as judged from research publications in high-impact journals, patents, and other measures. (2) A viable action plan for the future which may include research or application of the research for the benefit of India. The decision of the Expert Committee shall be final. Only one candidate shall be selected for the award each year.

The application should consist of the following items:

- (a) Name of the candidate:
- (b) Address, email, Contact Details:
- (c) Present Institute/ University/ Organization:
- (d) Educational Qualifications beginning with the latest, and giving grade/percentage etc. wherever applicable.
- (e) List research institutions/laboratories where the candidate has worked beginning with the latest.
- (f) Proof of having not crossed 35 years as on 31st December 2024.
- (g) An account of research carried out so far (including doctoral thesis) highlighting its impact and/or its applications (not more than 500 words).
- (h) A future action plan and road map of intended work to achieve scientific, technological and social relevance to India’s progress. (not more than 500 words)
- (i) A letter of support from an institution or organization for the work proposed under (h).
- (j) Two letters of recommendation from eminent scientists/ academicians who are familiar with the applicant’s work.
- (k) A list of research papers published in refereed journals (Attach a maximum of five high quality research papers).
- (l) List any recognition/awards from State/Central Government/reputed Institutions/ International organizations for work done so far.
- (m) Whether applied for the last Edition of Yuva Scientist Award.

The application should be signed and a soft copy of the full application should be emailed to: yuvascientistaward@zerowastegoa.com before 15th October 2025. Each application will be acknowledged by email.
